OFFICE OF GENERAL
COUNSEL

Dear Mr Jordan,

RE: MUR 6442

I received your acknowledgement of my complaint regarding Craig Schley, Congressional candidate of the 15th District in New York City, 2008 campaign. The case number is MUR 6442. You stated that there was an enclosure of procedures, however, it was not included.

I'm writing this subsequent letter to give additional information. Mr Schley's treasurer was Mr. Andrew McDonough Jr. He had bank accounts at Wachovia, Citi corp, and TD Bank. I would also like to state that he used his campaign funds for personal living expenses. I recently found out that this is not permitted legally.

Sincerely,

Francine Brown
