Re: Supplemental Response of Mr. Izzard in MUR 6445

Dear Mr. Jordan:

I appreciate you forwarding both of the documents filed by Mr. Jeff Larson in this matter, including the verification accompanying his original complaint. The verification was not among the material available to us in preparing our response of January 14, 2011. As a consequence, we are now convinced that Mr. Larson's complaint met our third challenge: i.e., that it was not "sworn to by the person filing such complaint." We continue to believe that the first two defenses we raised (that Mr. Izzard was in fact a lawful resident alien at the time of the contributions and that the other allegations do not describe a violation of the Act) are sufficient basis for the agency to dismiss this matter.

We appreciate your courtesy in providing us with the verification forms. Please let me know if you have any questions.

Sincerely,

Robert D. Lenhard
