Re: MUR 6456

Complaint filed by Kerry Wilson of Claremont

To Whom It May Concern:

I have been out of town on vacation and came home to this complaint and was absolutely astounded. I called and spoke with Ruth from your office and she informed me that I needed to reply to it, so this letter is to notify you first and foremost that I have only contributed one time to the Liberatore for Congress campaign and that was in the amount of \$50 via a credit card. It would be very easy to confirm that fact as well. Further, if you were to check our bank accounts, you would see we are in no position to "loan" anyone \$150,000 and even if I were in that position, I would not "loan" it all to this fund.

I spoke with Phil Liberatore's office, more specifically Sonja, and she assured me that his campaign committee was working on their response to this complaint as well, that this was definitely an error and that they would be correcting any report that indicates me as a lender.

I would greatly appreciate being kept informed as to the status of this complaint.

Sincerely,

Kimberly E. Lepins
