Washington DC. 20463

To whom it may concern:

This letter is in regards to case number MUR6489. This letter is sent on behalf of the House Leadership PAC, which was listed in the complaint.

As listed in the complaint, the PAC did inaccurately list a Congressman as a "host" for a fundraising event at which corporate contributions were accepted. The Congressman solicited no funds for the event and only appeared as a guest speaker.

The PAC has returned all corporate contributions received at the event in an effort to fully comply with all state and federal rules, although no state ethic regulations were violated.

Sincerely,

John Burris
