OFFICE OF MEMERAL COUNSEL

February 26, 2013

Dear General Counsel's Office,

In response to MUR 6721, I would like to respond that no action be taken against Beth Steele or Women Advocating Respect. To my knowledge, this entity was dissolved before any report was due. I was unaware of any reports needed to be filed. Women Advocating Respect has been dissolved and myself, Beth Steele, have nothing to do with any future political campaigns. Since Women Advocating Respect was dissolved and will never be active and the fact that I was unaware of any fillings, please advise if I need to file any reports.

Sincerely, Beth Steele
