RE: MUR 6721

Dear Mr. Calumbo:

I am in receipt of your letter dated October 24, 2014 regarding another Alan Grayson Ethics Complaint against me. I just received it on November 6, 2014.

None of the allegations are true. I am aware that Women Advocating Respect founded by Beth Steele ran a robocall regarding Grayson and his record, antics etc. Ms. Steele and/or her organization Women Advocating Respect paid for and produced the call. I didn't authorize the call as I don't have any authority over Ms. Steele or Women Advocating Respect and I did not pay for any of its costs. Feel free to call me on my cell at if you would like to talk with me further regarding this matter.

Are there any remedies that you are aware of for us citizens when Congressmen like Grayson file false FEC accusation after false accusation? Can a Congressman just continue to file one after another? If so, please let me know what they are. Thank you so much in advance for doing so.

Sincerely,

s/W.Todd Long
