Response to Complaint and Motion to Dismiss

Center for the American Future, Inc. ("the Center") hereby responds to the Complaint in the above-referenced Matter Under Review ("MUR") 6793 and denies the allegations contained in the Complaint and moves for dismissal of the Complaint.

The Complaint alleges that the Center has violated the Federal Election Campaign Act of 1971, as amended ("FECA") by making expenditures in support of Steve Stockman for Senate Campaign ("Campaign") and coordinating the expenditures with the Campaign.

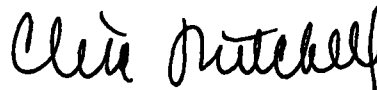

Mr. Jason Posey is the [office] of the Center. As per the attached affidavit, the activities of the Respondent were not conducted in cooperation, consultation, or concert with or at the request or suggestion of Steve Stockman, the Campaign or any agent of the Campaign.

A communication is a coordinated communication only when the communication meets all three prongs for coordinated communication under 11 C.F.R. § 109.21(a). One of these requirements is the conduct prong. The conduct prong determines if the relationship between the candidate and the candidate's authorized committee is sufficient to treat the communications as coordinated. The conduct prong is met when one of the four standards (the request or suggestion standard, the material involvement standard, substantial discussion standard, and the common vendor standard) is met. 11 C.F.R. § 109.21(d).

10004444000

The Center respectfully requests that the FEC find no reason to believe that a violation has occurred as to the Complaint, dismiss the Complaint, and close the MUR.

Respectfully Submitted,
