RE: Request for Extension – MUR 6850

Dear Mr. Jordan:

Thank you very much for the Commission's extension of time to file a response in this matter. My client, Ron McMillan, has been traveling extensively since we were retained, and communication with him has been delayed. He is now back at his home, and we are finalizing the response. I respectfully request an extension until September 2 to complete our response. I apologize for the late nature of this request, but we had anticipated that we would be able to complete the response by today. Thank you for your understanding.

We appreciate the Commission's consideration of this request. Please do not hesitate to contact me at the above phone number or email address if you have any questions.

Respectfully submitted,

Ronald M. Jacobs
