Chris,

We sent the notification letter to the contact information that Our American Revival provided us since OAR did not notify the Commission that it changed addresses or retained new counsel. In any event, given the circumstances of this matter and in the interest of receiving a response, we are willing to grant an extension of your time to respond to June 5, 2019. Additional requests for extensions of time going forward will require tolling. We look forward to receiving your prompt response.
