Re: Now or Never PAC (Matter Number: MUR 6920)

Dear Ms. Hampton:

I am the treasurer of Now or Never PAC, an independent expenditure only committee formed in 2012 (the "Committee"). This letter is in response to your letter which forwarded a complaint dated February 27, 2014 (probably a typo) with an FEC "received" stamp dated February 27, 2015 (the "Complaint"). The Complaint was filed by Citizens for Responsibility and Ethics in Washington. Your letter forwarding the Complaint was received on March 9, 2015.

Your letter states that the Committee and I have fifteen (15) days from receipt of your letter to submit a written response to the Complaint. This would appear to make the deadline for responding to the Complaint March 24, 2015.

One component of my law practice is that I help clients with tax issues, including filing tax returns for certain clients. During the last two weeks I have been extremely busy meeting various tax filing deadlines and other client demands and have not had time to review the Complaint in detail. To allow me the opportunity to gather all the relevant facts and present an appropriate response, I respectfully request that the Committee and I be granted until Friday, April 24, 2015, to provide a written response to the Complaint.

Sincerely,

James C. Thomas III
