With this letter I wish to file a formal complaint against Senator Lisa Murkowski who used taxpayer money to campaign for re-election. Specifically, Senator Lisa Murkowski flew 6 United States Senators, Senator Barraso and Senator Cantwell, among them, on Feb 16, 2016, to conduct a "Field Hearing" of the Senate Energy and Natural Resources Committee in and around Bethel, Alaska.

Any information obtained by this "Field Hearing" could have been obtained with a teleconference, saving the taxpayers money. Instead, Senator Lisa Murkowski arranged military transport

I believe based on a photo printed in the Alaska Dispatch and her website of Senator Murkowski and Senator Barraso on the tarmac with a Hercules C-100 in the background - a military aircraft) for 6 United States Senators because Senator Murkowski is running for re-election. I request that the Federal Election Commission require Senator Murkowski to reimburse the Treasury for this expense out of her campaign funds.

Unfortunately I have misplaced the Alaska Dispatch history of this event. The F.E.C. can access the internet Google Search hisamurkowski, Feb 16, 2016 Bethel, Alaska. "Field Hearing of the Senate Energy and Natural Resources Committee in Bethel, Alaska." you can also go to her website.

MUR # 7032
