**Re: MUR 7038
National Nurses United for Patient Protection**

Dear Mr. Jordan:

I am writing on behalf of respondent National Nurses United for Patient Protection ("Respondent") to request a 6-day enlargement of time to from May 31 to June 6, 2016 to respond to the complaint.

Efforts to secure certain relevant information have encountered unexpected delays due to the unavailability of several individuals, rendering it unlikely that a full response can be filed immediately after Memorial Day. This brief extension should suffice. And, as the complaints alleges events occurring earlier this year, this brief further extension will have no impact on the applicable limitation period. Accordingly, on behalf of Respondent I respectfully request the Commission's accommodation in granting the enlargement sought.

Thank you for your consideration.

Yours truly,

Laurence E. Gold

Counsel for National Nurses United for
Patient Protection
