Dear Jeff S. Jordan re: MUR 7049

#1) Additional information regarding this complaint can be found in the Archive of the Alaska Dispatch News, the Alaska Democratic Party is sharing with Margaret Stock its database of voters. Simply go to www.adn.com use the search engine (I suggest post primary election which was August 16 2016 type in Alaska Democratic Party and/or Margaret Stock and you will then be able to download additional documented evidence of campaign finance law violations by both the Alaska Democratic Party and Margaret Stock.

Please remind Ruth Heiler that we taxpayers pay her salary, that she is a public servant and that it is very rude to hang up on people like myself.
