RE: MUR 7062
Numero, Inc.

Dear Mr. Deutsch:

On October 1, 2020, the Federal Election Commission notified your client, Numero, Inc., of information ascertained in the normal course of carrying out its supervisory responsibilities indicating that Numero, Inc., may have violated the Federal Election Campaign Act of 1971, as amended.

On August 11, 2021, the Commission considered the matter, but there was an insufficient number of votes to find reason to believe that Numero, Inc., violated 52 U.S.C. § 30111(a)(4) and 11 C.F.R. § 104.15(a) by selling fundraising software that incorporated information taken from the Commission's database of reports filed by political committees. Accordingly, the Commission closed its file in this matter.

Documents related to the case will be placed on the public record within 30 days. *See* Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016). A Statement of Reasons providing a basis for the Commission's decision is not required in this matter, but if one is issued, it will be provided to you.

If you have any questions, please contact me at (202) 694-1574 or jdigiovanni@fec.gov.

Sincerely,

Justine A. di Giovanni
