Dear Sir or Madam:

I am writing today to formally file a complaint against Arizona Grassroots Action PAC for failure to provide a "Paid for by" disclaimer on a recent mailing designed to attack our candidate, Dr. Kelli Ward.

I have enclosed my evidence as per the following:

Attachment 1: The original mailer

Attachment 2: Screen shots of an Arizona Grassroots Action PAC paid TV commercial containing the exact same language, photos, statements and message. The video can be viewed at:

Proposed violation: CFR-2014-title11-vol1/xml/CFR-2014-title11-vol1-sec110-11

"the disclaimer must clearly state the full name and permanent street address, telephone number, or World Wide Web address of the person who paid for the communication, and that the communication is not authorized by any candidate or candidate's committee..."

Sincerely,

Michael P. Ward, D.O.

Arizona needs leaders who will fight to keep us safe...

Kelli Ward has NOT been that leader.

Kelli Ward's Record on National Security is Dangerous and Weak

Kelli Ward... Bad Judge

SIDING WITH CONSPIRACY THEORISTS AND LIBERALS OVER OUR TROOPS AND NATIONAL DEFENSE

Kelli Ward said she OPPOSED legislation that funds our troops... including those who are fighting ISIS and putting themselves in harm's way to keep us safe.

The bill contained "important and constructive language that strengthens America's continuing fight against terrorists."

The Heritage Foundation, 2/13/2012

Ward's reckless position would have stripped our troops of the tools they need in the fight against ISIS.

LEAVING ARIZONIANS VULNERABLE TO ATTACKS FROM TERRORISTS

As a State Senator, Kelli Ward introduced legislation to prevent Arizona's law enforcement officers from working with our intelligence agencies to stop terror suspects before they attack.

**"Very Unconstitutional...
dangerous to Arizonans"**

Law Enforcement Experts called Kelli Ward's bill "unconstitutional" and warned that it would cripple local law enforcement — making us less safe.
