RE:

**MUR 7067** 

Dear Mr. Foucart:

On May 25, 2016, the Federal Election Commission notified you of a complaint alleging that Friends of Patrick Murphy and you in your official capacity as treasurer violated certain sections of the Federal Election Campaign Act of 1971, as amended (the "Act"). A copy of the complaint was forwarded to you at that time. Upon further review of the allegations contained in the complaint, on March 6, 2017, the Commission found no reason to believe that Friends of Patrick Murphy and you in your official capacity as treasurer violated 52 U.S.C. §§ 30116(f) or 30118(a), provisions of the Act. The Commission closed the file on the same day.

Documents related to the case will be placed on the public record within 30 days. See Statement of Policy Regarding Disclosure of Closed Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016). The Factual and Legal Analysis, which explains the Commission's finding, is enclosed for your information.

If you have any questions, please contact Christopher L. Edwards, the attorney assigned to this matter, at (202) 694-1568.

Sincerely,

Mark Allen

- 1 \$300,000 contribution to FSMC on March 31, 2016, from Coastal Construction Group of South
- 2 Florida, Inc. ("Coastal Construction"). Thomas Murphy is the Chairman and CEO of Coastal
- 3 Construction,<sup>5</sup> and Rep. Murphy reportedly owns an interest in the company that is worth
- 4 between \$1,000,001 and \$5,000,000.6
- 5 The Complaint alleges that those contributions from Thomas Murphy and Coastal
- 6 Construction evidence coordination between Rep. Murphy's authorized campaign committee,
- 7 Friends of Patrick Murphy (the "Committee"), and FSMC because those contributors are closely
- 8 connected to Rep. Murphy. The Complaint focuses on the financial ties that exist between Rep.
- 9 Murphy and the contributors due to Rep. Murphy's ownership interest in Coastal Construction.<sup>8</sup>

While the Respondents admit that the contributions were made, they deny that any coordination has occurred between FSMC and the Committee. In support, Thomas Murphy submitted a declaration swearing that he alone made the decision to contribute his personal funds, and that he made the decision to make a contribution from Coastal Construction in his

14 capacity as Chairman and CEO, in both cases independent of and without consultation with or

the knowledge of Rep. Murphy or his Committee. 10 Thomas Murphy further avers that he has

2 not otherwise had any involvement with FSMC "regarding any communications or 'independent

3 expenditures' that they have made or may or may not make in the future."11 Respondents also

4 state that, at the time they filed their responses, FSMC had not yet made any public

5 communications in support of Rep. Murphy. 12 A review of FSMC's FEC filings supports this

assertion. After the responses were filed, FSMC made several independent expenditures in

support of Rep. Murphy's candidacy and filed independent expenditure reports disclosing those

independent expenditures. 13

## B. Legal Analysis

The Act prohibits any person from making, and any candidate or committee from knowingly accepting, contributions in excess of the limits stated in 52 U.S.C. § 30116.<sup>14</sup> In addition, IEOPCs are prohibited from making contributions to federal candidates, <sup>15</sup> and candidates and their authorized committees are prohibited from accepting "soft money" contributions not subject to the limits and prohibitions of the Act. <sup>16</sup>

10 11	<ul> <li>(3) Satisfies at least one of the conduct standards<sup>20</sup> in paragraph</li> <li>(d) of [§ 109.21].<sup>21</sup></li> </ul>			
12	While the Complaint alleges coordination between the Committee and FSMC, it does not			

identify any specific communications or other expenditures that were supposedly coordinated.

In fact, the information available in the record before the Commission indicates that FSMC had

not yet made any public communications when the Complaint was filed. While FSMC paid for

For purposes of the Act, an expenditure is coordinated if it is made in cooperation,

authorized committee, or a political party committee. <sup>17</sup> Any expenditure that is coordinated is an

consultation or concert with, or at the request or suggestion of, a candidate, a candidate's

in-kind contribution to the candidate or committee with which it is coordinated. <sup>18</sup> An

<sup>11</sup> C.F.R. § 109.20(a); see also 52 U.S.C. § 30116(a)(7)(B)(i).

<sup>&</sup>lt;sup>18</sup> See 52 U.S.C. § 30116(a)(7)(B)(i)-(ii); see also 11 C.F.R. §§ 109.20, 109.21(b).

The content standard is satisfied if the communication at issue meets at least one of the following content standards: (1) a communication that is an electioneering communication under 11 C.F.R. § 100.29; (2) a public communication that disseminates, distributes, or republishes, in whole or in part, campaign materials prepared by a candidate or the candidate's authorized committee; (3) a public communication that expressly advocates the election or defeat of a clearly identified candidate for federal office; (4) a public communication, in relevant part, that refers to a clearly identified House or Senate candidate, and is publicly distributed or disseminated in the clearly identified candidate's jurisdiction 90 days or fewer before the candidate's primary election; or (5) a public communication that is the functional equivalent of express advocacy. 11 C.F.R. § 109.21(c)(1)-(5).

The six types of conduct that satisfy the conduct standard are: (1) request or suggestion; (2) material involvement; (3) substantial discussion; (4) common vendor; (5) former employee; and (6) republication. 11 C.F.R. § 109.21(d).

- 1 independent expenditures in support of Murphy after the Complaint was filed, the available
- 2 information regarding those expenditures does not evidence any violations of the Act.
- The payments for FSMC's advertisements were disclosed by FSMC as independent
- 4 expenditures in support of Rep. Murphy, so they appear to satisfy the payment and content
- 5 prongs of the Commission's coordination test, 22 but the factual record does not support a
- 6 conclusion that the conduct prong may have been satisfied.<sup>23</sup> The fact that Thomas Murphy and
- 7 Coastal Construction contributed to FSMC, and that Rep. Murphy has an ownership interest in
- 8 Coastal Construction, without more, does not appear to satisfy any of the conduct standards.<sup>24</sup>
- 9 This conclusion is further supported by Thomas Murphy's declaration that Rep. Murphy and the
- 10 Committee were not involved in his decisions to contribute and that he has not otherwise had any
- 11 involvement with FSMC regarding any communications.<sup>25</sup>
- The Commission therefore finds no reason to believe that the Respondents violated the
- 13 Act or Commission regulations as a result of the activities described in the Complaint.

See 52 U.S.C. § 30101(17) ("independent expenditure" defined as an expenditure by a person expressly advocating the election or defeat of a clearly identified candidate and not made in concert or cooperation with or at the request or suggestion of such candidate, the candidate's authorized committee, or their agents); 1.1 C.F.R. § 109.21(c)(3) (a communication will satisfy the content standard if it expressly advocates for the election or defeat of a clearly identified candidate for Federal office).

<sup>&</sup>lt;sup>23</sup> See 11 C.F.R. § 109.21(d).

See id., F&LA at 5-9, MUR 6668 (Chen) (finding no reason to believe where the brother of a federal candidate provided \$765,000 of \$1,115,000 received by an IEOPC that supported the candidate.)
