**Re: Request for Extension - MUR 7101**

Dear Ms. Rawls:

We write to you today regarding our client, Mr. Sean Parker, a Respondent in MUR 7101. Mr. Parker received a copy of the complaint in this matter on July 21, 2016. We respectfully ask that you grant a thirty (30) day extension of time in which to respond, making the response due on September 6, 2016.<sup>1</sup>

The complaint in this matter raises significant procedural and substantive questions under the Federal Election Campaign Act, Federal Election Commission regulations, and related statutes and rules. In addition, it implicates important constitutional questions that the complaining parties appear to intend to litigate. Finally, this matter involves ten respondents named by the complainants and an additional twenty-two respondents named by the FEC. Consequently, any efforts by counsel for the thirty-two respondents to consolidate or economize on the substance of the responses may take some time. Summer vacation and travel schedules also make coordinating schedules difficult at this time of year. In order that we may address these issues thoroughly and in full, we believe that this extension is warranted.

We thank you in advance for your prompt consideration of this request. Please do not hesitate to reach out with any questions at (202) 662-5940 or rlenhard@cov.com.

Sincerely,

Robert Lenhard
