Re: MUR 7190
Our File No. 1101-29352

Dear Sir or Madam:

We represent the Alaska Republican Party ("ARP") and Treasurer Julie Tisdale, the Lisa Murkowski for U.S. Senate Committee and its Treasurer, Catherine Straub (hereinafter collectively referred to as "Respondents") in connection with the above-referenced matter. You have a designation of counsel signed by Ms. Tisdale and we will be submitting the other DOCs shortly.

The Alaska Republican Party and Ms. Tisdale have received the November 10 letter from the FEC notifying them of the existence of the complaint. However, the Murkowski campaign at its treasurer, Ms. Straub have not.

I write today for two reasons. First I request, on behalf of the ARP and Ms. Tisdale that the deadline for their response to the November 10 letter be extended until December 6, 2016. The recent holidays have delayed the gathering of the necessary information. This extension will allow a complete review of the relevant information so that the response is complete and fully addresses the complaint.

Second, as noted, the Murkowski campaign and its Treasurer have not received notice from the Commission of the complaint. I called to determine if notice had been sent but without a Designation of Counsel you were unable to respond to my questions. If such letters were sent please provide me with copies. In any event please consider this notice that those two entities have not received the notices.

Please let me know at once if the requested extension is not acceptable and whether the Murkowski campaign and its Treasurer remain involved in this matter.

Sincerely,
