Dear Mr. Epstein:

After a further review of the complaint in this matter, the Office of the General Counsel has severed this submission into three matters under review, MUR 7207, MUR 7313, and MUR 7324 in addition to MUR 7637.

Please note, any further correspondence should list all four matters. If you have any remaining questions or concerns, please contact me at (202) 694-1539.

Sincerely,
