Ms. Dennis:

First, let me apologize for the continued delays in responding to your contacts. Mr. Fleck no longer resides in the area, and is employed at a location where phone contact is difficult. I have now been able to speak at some length with him about your recent inquiries.

As I am sure you know, Mr. Fleck has been the subject of a federal investigation and prosecution, and most of his personal and business records are in the possession of the FBI, IRS and/or DOJ. As we understand it, the DOJ, although it has completed its investigation of Mr. Fleck's activities, has been engaged for the last 18 months in the investigation and prosecution of others in the Allentown, PA area, and Mr. Fleck's records are part of that investigation. I am, therefore, writing to request an additional extension of time within which to respond. If necessary, I am sure we can provide some level of confirmation of this from the DOJ.

With all of that said., Mr. Fleck categorically denies that he converted campaign funds from the Pawlowski campaign. The payment was for obligations owed and due, and for monies earned by the recipient.

If additional information or documentation is necessary in order to consider our request for an extension of time, please feel free to contact me.

Thanks very much.

Philip Lauer
