Re: Request for Further Investigation or Audit Regarding Duncan D. Hunter for Congress

Dear Sir/Madam:

As a constituent and voter in Southern California, I respectfully request that the Federal Election Commission commence an investigation into expenditures from Duncan D. Hunter for Congress ("Hunter Committee") the primary campaign committee of Representative Duncan D. Hunter – R-CA – to assure that they meet Federal Election Campaign Act (FECA) and FEC regulations.

In April 2016, the FEC conducted a similar investigation into 66 disbursements to "Steam Games" occurring between 10/13/2015 and 12/16/2015. As a result of this investigation, there exist comments in each of these itemized charges in the FEC's Two Year Summary Report 2016 that read "Fraudulent Charge".¹

An additional group of charges that I find questionable and request further inquiry into are 7 disbursements to "Excalibur Cigar Lounge" between 4/25/2016 and 10/24/2016 for total of \$1,537.²

Mr. Hunter's highly irregular and liberal interpretation of FECA and FEC regulations have been widely recognized by the press (e.g. San Diego Union Tribune - most recently on 11/16/2016³, Los Angeles Times on 11/17/2016⁴, Salon Magazine on 11/4/2016⁵, ABC News on April 7, 2016⁶ and USA Today on 1/4/2017⁷ to name a few). for Responsibility and Ethics in Washington formally requested that the FEC conduct a full audit of campaign disbursements over the last two years⁸.

Borrowing from the summary statement made in CREW's request to the FEC for a full audit: "To ensure that the money raised for political campaigns is not misused, campaign finance law clearly forbids spending campaign funds on the personal expenses of a candidate or a candidate's family. The Hunter Committee already has admitted it did exactly that, making thousands of dollars in payments for expenditures unrelated to Rep. Hunter's campaign. A review of the committee's disclosure reports further indicates it may have made additional disbursements for personal expenses."⁹

I have drawn attention to one category of such disbursements in this letter. I hereby request that the FEC conduct further review of the Hunter Committee to assure that it is in compliance with the law. I look forward to hearing from you.

Sincerely,

Re: Request for Further Investigation or Audit Regarding Duncan D. Hunter for Congress

Dear Sir/Madam:

As a constituent and voter in California's 50th District, I respectfully request that the Federal Election Commission commence an investigation into expenditures from Duncan D. Hunter for Congress ("Hunter Committee") the primary campaign committee of Representative Duncan D. Hunter – R-CA – to determine whether they meet Federal Election Campaign Act (FECA) and FEC regulations.

In April 2016, the FEC conducted a similar investigation into 66 disbursements to "Steam Games" occurring between 10/13/2015 and 12/16/2015. As a result of this investigation, there exist comments in each of these itemized charges in the FEC's Two Year Summary Report 2016 that read "Fraudulent Charge".¹

There appear to be far too many questionable charges to list here, and these charges were made at a time when the Hunters did not have the wherewithal, outside of campaign funds, to afford them as evidenced by his need to obtain a third mortgage on his residence to repay those funds.²

Nevertheless, I request that you conduct further inquiry into an additional group of charges that I find questionable, specifically, three disbursements to Kalahari Resort occurring between 7/13/2016 and 7/20/2016.

Mr. Hunter's highly irregular and liberal interpretation of FECA and FEC regulations have been widely recognized by the press (e.g. San Diego Union Tribune - most recently on 11/16/2016³, Los Angeles Times on 11/17/2016⁴, Salon Magazine on 11/4/2016⁵, ABC News on April 7,

2016⁶ and USA Today on 1/4/2017⁷ to name a few). Additionally, on April 28, 2016, Citizens for Responsibility and Ethics in Washington formally requested that the FEC conduct a full audit of his campaign disbursements over the last two years⁸.

Borrowing from the summary statement made in CREW's request to the FEC for a full audit: "To ensure that the money raised for political campaigns is not misused, campaign finance law clearly prohibits spending campaign funds on the personal expenses of a candidate or a candidate's family. The Hunter Committee already has admitted it did exactly that, making thousands of dollars in payments for expenditures unrelated to Rep. Hunter's campaign. A review of the committee's disclosure reports further indicates it may have made additional disbursements for personal expenses."⁹

I have drawn attention to one category of such disbursements in this letter. I hereby request that the FEC conduct further review of the Hunter Committee to assure that it is in compliance with the law. I look forward to hearing from you.

Sincerely,

Laura P. Gordon

for Responsibility and Ethics in Washington formally requested that the FEC conduct a full audit of campaign disbursements over the last two years⁹.

Borrowing from the summary statement made in CREW's request to the FEC for a full audit: "To ensure that the money raised for political campaigns is not misused, campaign finance law clearly forbids spending campaign funds on the personal expenses of a candidate or a candidate's family. The Hunter Committee already has admitted it did exactly that, making thousands of dollars in payments for expenditures unrelated to Rep. Hunter's campaign. A review of the committee's disclosure reports further indicates it may have made additional disbursements for personal expenses."¹⁰

I have drawn attention to one category of such disbursements in this letter. I hereby request that the FEC conduct further review of the Hunter Committee to assure that it is in compliance with the law. I look forward to hearing from you.

Re: Request for Further Investigation or Audit Regarding Duncan D. Hunter for Congress

Dear Sir/Madam:

As a constituent and voter in Southern California, I respectfully request that the Federal Election Commission commence an investigation into expenditures from Duncan D. Hunter for Congress ("Hunter Committee") the primary campaign committee of Representative Duncan D. Hunter – R-CA – to assure that they meet Federal Election Campaign Act (FECA) and FEC regulations.

In April 2016, the FEC conducted a similar investigation into 66 disbursements to "Steam Games" occurring between 10/13/2015 and 12/16/2015. As a result of this investigation, there exist comments in each of these itemized charges in the FEC's Two Year Summary Report 2016 that read "Fraudulent Charge".¹

An additional group of charges that I find puzzling and request further inquiry into are 2 disbursements to "San Diego Gas and Electric" on 10/15/2015 for a total of \$1,267.²

Mr. Hunter's highly irregular and liberal interpretation of FECA and FEC regulations have been widely recognized by the press (e.g. San Diego Union Tribune - most recently on 11/16/2016³, Los Angeles Times on 11/17/2016⁴, Salon Magazine on 11/4/2016⁵, ABC News on April 7, 2016⁶ and USA Today on 1/4/2017⁷ to name a few). Additionally, on April 28, 2016, Citizens for Responsibility and Ethics in Washington formally requested that the FEC conduct a full audit of campaign disbursements over the last two years⁸.

Re: Request for Further Investigation or Audit Regarding Duncan D. Hunter for Congress

Dear Sir/Madam:

As a constituent and voter in Southern California, I respectfully request that the Federal Election Commission (FEC) commence an investigation into expenditures from Duncan D. Hunter for Congress ("Hunter Committee"), the primary campaign committee of Representative Duncan D. Hunter – R-CA – to assure that they meet Federal Election Campaign Act (FECA) and FEC regulations.

In April 2016, the FEC conducted a similar investigation into 66 disbursements to "Steam Games" occurring between 10/13/2015 and 12/16/2015. As a result of this investigation, there exist comments in each of these itemized charges in the FEC's Two Year Summary Report 2016 that read "Fraudulent Charge".¹

An additional group of charges that I find questionable and request further inquiry into are 7 disbursements to "Arizona Grand Resort" between 1/19/2016 and 2/19/2016 for a total of \$2,889.²

Mr. Hunter's highly irregular and liberal interpretation of FECA and FEC regulations have been widely recognized by the press (e.g. San Diego Union Tribune - most recently on 11/16/2016³, Los Angeles Times on 11/17/2016⁴, Salon Magazine on 11/4/2016⁵, ABC News on April 7, 2016⁶ and USA Today on 1/4/2017⁷ to name a few). for Responsibility and Ethics in Washington formally requested that the FEC conduct a full audit of his campaign disbursements over the last two years⁸.

Borrowing from the summary statement made in CREW's request to the FEC for a full audit: "To ensure that the money raised for political campaigns is not misused, campaign finance law clearly forbids spending campaign funds on the personal expenses of a candidate or a candidate's family. The Hunter Committee already has admitted it did exactly that, making thousands of dollars in payments for expenditures unrelated to Rep. Hunter's campaign. A review of the committee's disclosure reports further indicates it may have made additional disbursements for personal expenses."⁹

I have drawn attention to one category of such disbursements in this letter. I hereby request that the FEC conduct further review of the Hunter Committee to assure that it is in compliance with the law. I look forward to hearing from you.

Re: Request for Further Investigation or Audit Regarding Duncan D. Hunter for Congress

Dear Sir/Madam:

As a constituent and voter in Southern California, I respectfully request that the Federal Election Commission commence an investigation into expenditures from Duncan D. Hunter for Congress ("Hunter Committee") the primary campaign committee of Representative Duncan D. Hunter – R-CA – to assure that they meet Federal Election Campaign Act (FECA) and FEC regulations.

In April 2016, the FEC conducted a similar investigation into 66 disbursements to "Steam Games" occurring between 10/13/2015 and 12/16/2015. As a result of this investigation, there exist comments in each of these itemized charges in the FEC's Two Year Summary Report 2016 that read "Fraudulent Charge".¹

An additional group of charges that I find questionable and request further inquiry into is 2 disbursements to "Bacara Resort and Spa" in Goleta, California between 10/13/2016 and 10/20/2016 for a total of \$868.² Goleta is approximately 150 miles outside of his District.

Mr. Hunter's highly irregular and liberal interpretation of FECA and FEC regulations have been widely recognized by the press (e.g. San Diego Union Tribune - most recently on 11/16/2016³, Los Angeles Times on 11/17/2016⁴, Salon Magazine on 11/4/2016⁵, ABC News on April 7, 2016⁶ and USA Today on 1/4/2017⁷ to name a few). Borrowing from the summary statement made in CREW's request to the FEC for a full audit: "To ensure that the money raised for political campaigns is not misused, campaign finance law clearly forbids spending campaign funds on the personal expenses of a candidate or a candidate's family. The Hunter Committee already has admitted it did exactly that, making thousands of dollars in payments for expenditures unrelated to Rep. Hunter's campaign. A review of the committee's disclosure reports further indicates it may have made additional disbursements for personal expenses."⁹

I have drawn attention to one category of such disbursements in this letter. I hereby request that the FEC conduct further review of the Hunter Committee to assure that it is in compliance with the law. I look forward to hearing from you.

Re: Request for Further Investigation or Audit Regarding Duncan D. Hunter for Congress

Dear Sir/Madam:

As a constituent and voter in Southern California, I respectfully request that the Federal Election Commission commence an investigation into expenditures from Duncan D. Hunter for Congress ("Hunter Committee") the primary campaign committee of Representative Duncan D. Hunter – R-CA – to assure that they meet Federal Election Campaign Act (FECA) and FEC regulations.

In April 2016, the FEC conducted a similar investigation into 66 disbursements to "Steam Games" occurring between 10/13/2015 and 12/16/2015. As a result of this investigation, there exist comments in each of these itemized charges in the FEC's Two Year Summary Report 2016 that read "Fraudulent Charge".¹

An additional group of charges that I find questionable and request further inquiry into is a disbursement to "El Cajon Gun Exchange" on 8/26/2016 for \$501.²

Mr. Hunter's highly irregular and liberal interpretation of FECA and FEC regulations have been widely recognized by the press (e.g. San Diego Union Tribune - most recently on 11/16/2016³, Los Angeles Times on 11/17/2016⁴, Salon Magazine on 11/4/2016⁵, ABC News on April 7, 2016⁶ and USA Today on 1/4/2017⁷ to name a few). Additionally, on April 28, 2016, Citizens for Responsibility and Ethics in Washington formally requested that the FEC conduct a full audit of campaign disbursements over the last two years⁸.

Borrowing from the summary statement made in CREW's request to the FEC for a full audit: "To ensure that the money raised for political campaigns is not misused, campaign finance law clearly forbids spending campaign funds on the personal expenses of a candidate or a candidate's family. The Hunter Committee already has admitted it did exactly that, making thousands of dollars in payments for expenditures unrelated to Rep. Hunter's campaign. A review of the committee's disclosure reports further indicates it may have made additional disbursements for personal expenses."⁹

I have drawn attention to one category of such disbursements in this letter. I hereby request that the FEC conduct further review of the Hunter Committee to assure that it is in compliance with the law. I look forward to hearing from you.

Borrowing from the summary statement made in CREW's request to the FEC for a full audit: "To ensure that the money raised for political campaigns is not misused, campaign finance law clearly forbids spending campaign funds on the personal expenses of a candidate or a candidate's family. The Hunter Committee already has admitted it did exactly that, making thousands of dollars in payments for expenditures unrelated to Rep. Hunter's campaign. A review of the committee's disclosure reports further indicates it may have made additional disbursements for personal expenses."⁹

I have drawn attention to one category of such disbursements in this letter. I hereby request that the FEC conduct further review of the Hunter Committee to assure that it is in compliance with the law. I look forward to hearing from you.

Sincerely,

Re: Request for Further Investigation or Audit Regarding Duncan D. Hunter for Congress

Dear Sir/Madam:

As a constituent and voter in Southern California, I respectfully request that the Federal Election Commission commence an investigation into expenditures from Duncan D. Hunter for Congress ("Hunter Committee") the primary campaign committee of Representative Duncan D. Hunter – R-CA – to assure that they meet Federal Election Campaign Act (FECA) and FEC regulations.

In April 2016, the FEC conducted a similar investigation into 66 disbursements to "Steam Games" occurring between 10/13/2015 and 12/16/2015. As a result of this investigation, there exist comments in each of these itemized charges in the FEC's Two Year Summary Report 2016 that read "Fraudulent Charge".¹

An additional group of charges that I find questionable and request further inquiry into are 18 disbursements to "Hyatt." between 1/6/2015 and 4/13/2015 for a total of \$6,823.²

Mr. Hunter's highly irregular and liberal interpretation of FECA and FEC regulations have been widely recognized by the press (e.g. San Diego Union Tribune - most recently on 11/16/2016³, Los Angeles Times on 11/17/2016⁴, Salon Magazine on 11/4/2016⁵, ABC News on April 7, 2016⁶ and USA Today on 1/4/2017⁷ to name a few). Additionally, on April 28, 2016, Citizens for Responsibility and Ethics in Washington formally requested that the FEC conduct a full audit of campaign disbursements over the last two years⁸.
