OFFICE OF
GENERAL COUNSEL

Dear Ms. Hart:

We write as counsel to American Bridge 21st Century and Rodell Mollineau in his official capacity as treasurer and Correct the Record PAC and Elizabeth Cohen in her official capacity as treasurer (collectively, "Respondents") regarding MUR 7284. As counsel to Respondents, we received the Commission's Reason to-Believe Letter, Factual & Legal Analysis, and written questions on April 30, 2019.

Respondents respectfully request that the time for their response to the Commission's findings and questions be extended until June 14, 2019. Respondents submitted their response to the complaint over a year ago and require more time to refamiliarize themselves with the allegations and review the basis of the Commission's reason-to-believe findings. The Commission has also requested a number of written responses and documents, which Respondents need time to review.

We appreciate the Commission's consideration of this request. Please do not hesitate to contact us at (202) 654-6200.

Very truly yours,

Marc E. Elias
Ezra W. Reese
