GENERAL COUNSEL'S REPORT

BACKGROUND

On September 22, 1978, the Reports Analysis Division referred to the Office of the General Counsel the Committee to Re-Elect Congressman Michael J. Harrington (the "Committee") for its failure to indicate on its April 10, 1978 and July 10, 1978 Quarterly Reports the occupation and principal place of business of contributors to the Committee in violation of 2 U.S.C. §434(b)(2).

On October 26, 1978 the Committee submitted the revised nineteen pages of Schedule A of the July 10, 1978 Quarterly Report. The April 10, 1978 Quarterly Report was not included.

On November 29, 1978 the Commission issued an order to the Committee for it to submit the missing §434(b)(2) information on its April 10, 1978 report. The Committee responded on December 11, 1978.

ANALYSIS

An examination of the revised fourteen pages of Schedule A of the April 10, 1978 report submitted by the Committee indicates that the missing §434(b)(2) information has been adequately supplied.

RECOMMENDATION

1. Take no further action against the Committee to Re-Elect Congressman Michael J. Harrington for its failure to supply the necessary 434(b)(2) information on its April 10, 1978 Quarterly Report.
2. Close the file;
3. Send the attached letter.

GENERAL COUNSEL'S REPORT

BACKGROUND

On September 22, 1978, the Reports Analysis Division referred to the Office of the General Counsel the Committee to Re-Elect Congressman Michael J. Harrington (the "Committee") for its failure to indicate on its April 10, 1978 and July 10, 1978 Quarterly Reports the occupation and principal place of business of contributors to the Committee in violation of 2 U.S.C. §434(b)(2).

Prior to the referral and since that time Commission staff members have contacted the Committee in attempts to obtain this information.

On October 18, 1978, the Commission determined that the Office of the General Counsel should notify the Committee that it must provide the Commission with the occupation and principal place of business of itemized contributors by October 28, 1978. The letter to the Committee was sent on October 24, 1978, and the Committee, on October 26, 1978, submitted the revised nineteen pages of Schedule A of the July 10, 1978 Quarterly Report. The April 10, 1978 Quarterly Report was not included.

Attachment I

ANALYSIS

An examination of the revised nineteen pages of Schedule A of the July 10, 1978 report submitted by the Committee indicates that the missing §434(b)(2) information has been adequately supplied.

According to Mr. Jacob Segal, who was contacted telephonically on November 3, 1978 by Commission staff members, it was his understanding that the July 10, 1978 report was the one in question to be sent; the April 10, 1978 report would be mailed as soon as possible. However in view of past delays, there is no assurance that it will be forth coming within a reasonable time. Therefore we will recommend that the Commission issue an order to the Committee for it to submit the missing §434(b)(2) information on its April 10, 1978 report.

RECOMMENDATION

1. Take no further action at this time against the Committee to Re-Elect Congressman Michael J. Harrington for its failure to supply the necessary 434(b)(2) information on its July 10, 1978 Quarterly Report.
2. Issue the attached order and cover letters to the Committee to Re-Elect Michael J. Harrington.

GENERAL COUNSEL'S REPORT

BACKGROUND

On September 22, 1978, the Reports Analysis Division referred to the Office of General Counsel the Committee to Re-Elect Congressman Michael J. Harrington for its failure to indicate on its reports the occupation and principal place of business of contributors to the Committee. This is in violation of 2 U.S.C. §434(b)(2) which requires that each report shall disclose "...the full name and mailing address (occupation and the principal place of business, if any) of each person who has made one or more contributions to or for such committee or candidate...within the calendar year in an aggregate amount or value in excess of \$100..."

PRIOR ATTEMPTS TO OBTAIN INFORMATION

On May 18, 1978, Reports Analysis sent the Committee an RFAI regarding the Committee's failure to include on its April 10th quarterly report the occupation and principal place of business of approximately 64 contributors who collectively contributed a total of \$13,125. When no response to this RFAI was received, Reports Analysis sent out a reason to believe notification on July 28, 1978.

70040094714

On August 7, 1978, Ron Krause of Reports Analysis phoned Jacob Siegel of the Committee. Mr. Siegel stated the Committee had not responded because they had not received the original RFAI letter of May 18, 1978. Mr. Siegel was told by Krause that he would have to provide the occupation and principal place of business for all itemized contributors. He replied that while Congressman Harrington had withdrawn from the race he would try to get the necessary information.

Another RFAI was sent to the Committee by Reports Analysis on September 8, 1978 for its failure to indicate the occupation and principal place of business of itemized contributors on the July 10th quarterly report.

On October 5, 1978, the General Counsel's office spoke with Mr. Siegel on the matter. Mr. Siegel promised to compile and send in the information by October 13, 1978.

While respondent has not provided the required §432(b)(2) information after having been requested to do so, we think he should be given this additional opportunity prior to any further enforcement action is taken.

RECOMMENDATIONS

We recommend the Commission,

1. grant the Committee to Re-Elect Congressman Harrington a two week extension to provide the occupation and principal place of business of itemized contributors.

70040094715

2. defer further action until this period has expired.

I called Mr. Siegel in answer to the committee's correspondence of 8/3/78*. The committee said in response to the RTB Letter that they haven't answered, because they did not have a copy of the original RFAI. I told Mr. Siegel over the phone that he would have to provide the occupation and p.p.b. for all itemized contributors. He said that his heart is not in it (Harrington has withdrawn from the race) but he will try to get to work on the matter.
