Hello Richard,

Thanks for checking in. Yes, on behalf of Hillary for America and the DNC Services Corporation/Democratic National Committee, we hereby request to engage in pre-probable cause conciliation with the Commission with respect to MURs 7291 and 7449, pursuant to 11 CFR § 111.18(d). While we continue to strongly believe the respondents properly disclosed the purpose of the disbursements at issue on their disclosure reports, and therefore committed no legal violation of the Federal Election Campaign Act or Commission regulations, we would like to explore conciliation to bring this multi-year process to a close. As we discussed on our March 23 telephone call, we expect that we can find mutually agreeable language and terms for a conciliation agreement.

We look forward to your response.

Thank you,

Graham

Good Morning,

Hope all is well. I am just following up on our conversation from a few weeks ago. Do your clients have any interest in trying to resolve this matter at this stage?

All the best.

Richard
