VERIFIED COMPLAINT

Introduction

This Complaint alleges an unprecedented, massive, nationwide multi-million dollar conspiracy among the Democratic National Committee ("DNC"); Democratic presidential candidate Hillary Rodham Clinton's joint fundraising committee ("JFC"), Hillary Victory Fund

("HVF"); Clinton's presidential candidate committee, Hillary for America ("HFA"), 40 Democratic state parties, and an undetermined number of individual "super donors" to circumvent federal contribution limits and earmarking restrictions by effectively laundering nearly all contributions received by HVF through the state parties to the DNC, which contributed much of those funds to HFA, made coordinated expenditures with HFA, and otherwise granted control of those funds to HFA resulting in a *de facto* unlawful contribution. As explained below, this scheme allowed the DNC to receive tens of millions of dollars in contributions far exceeding federal limits.

Based on publicly available FEC records, repeatedly throughout the 2016 presidential campaign, HVF would purportedly transfer funds to its constituent political committees, which included between 34 and 40 state parties. On the very same day each of these transfers supposedly occurred, or occasionally the very next day, every single one of those state parties purportedly contributed all of those funds entirely to the DNC. The uniformity, regularity, magnitude, immediacy, and extent of these reported transfers—every single state party transferring every single disbursement it received from HVF, in its entirety, exclusively to the DNC, immediately upon receipt—inexorably leads to the compelling inference, supported by public statements, HVF's members had an understanding or agreement to automatically funnel funds they received through HVF to the DNC.

The DNC, in turn, contributed most of those funds to HFA, made coordinated expenditures with HFA and otherwise transferred control of its money to HFA, as both the DNC's own public filings and former DNC Chairwoman Donna Brazile's public confessions make clear. In *McCutcheon v. FEC*, 134 S. Ct. 1434, 1455 (2014), the Supreme Court itself recognized this precise arrangement would flatly violate federal earmarking restrictions, 52 U.S.C. § 30116(a)(8); 11 C.F.R. § 110.6, though the Court dismissed the possibility of such a flagrantly illegal scheme

as "unlikely" to occur. Not even the Supreme Court could anticipate the extent to which the Democratic Party and its elite, wealthy donor class would commit willful felonies in a futile attempt to facilitate Clinton's election.

Because funds state parties received through HVF were apparently "earmarked" to be immediately transferred to the DNC, each contribution to HVF qualifies as a contribution from the original source of the funds to the DNC itself, 11 C.F.R. § 110.6(a), (d)(2), causing most such contributions to grossly exceed federal limits of \$33,400 per person. 52 U.S.C. § 30116(a)(1)(B); FEC, Price Index Adjustments for Contribution and Expenditure Limitations and Lobbyist Bundling Disclosure Threshold, 80 FED. REG. 5,750, 5,752 (Feb. 3, 2015). Additionally, no contribution to HVF was properly reported to the FEC as a contribution entirely to the DNC. Any contributor to HVF who was expressly or implicitly assured contributions to HVF would be transferred to the DNC, or otherwise used for the benefit and at the direction of Clinton's presidential campaign, would have been willful participants in the conspiracy to violate federal contribution limits, reporting requirements, and earmarking restrictions, and may be deemed unnamed co-conspirators.

On information and belief, it also reasonably appears state parties may have attempted to conceal their conspiracy by fabricating and erroneously reporting pass-through transactions. Even assuming the co-conspirators were wiring their funds across the nation, it appears extraordinarily unlikely that, on hundreds of occasions collectively involving tens of millions of dollars, HVF would have been able to transfer funds to 34-40 different state parties, each of those state parties would have received those funds and immediately transferred them to the DNC, and the DNC would have received those funds, all on the same day. Based on the eerily precise timing of these hundreds of transactions involving dozens of entities over more than a year—and the telling

absence of a few such entries—it appears far more plausible HVF did not actually transfer contributions it received to state parties, which in turn contributed them to the DNC (as the FEC filings of both the state parties themselves and the DNC contend occurred). Instead, it appears HVF may have transferred contributions it received directly to the DNC, and the entities involved falsely reported intermediate transfers that never occurred.

Even if the transfers did occur as reported, however, the virtually unbroken pattern demonstrates state parties were being used as intermediate pass-through entities to funnel over 80 million dollars in contributions HVF received to the DNC, in violation of federal contribution limits, earmarking restrictions, and reporting requirements. Likewise, assuming such transfers did occur, then at the very least many of the Respondent state parties transferred millions of dollars over dozens of transactions without properly reporting them. On numerous occasions, state parties reported receiving transfers from HVF, and the DNC reported receiving transfers from those state parties, but the state parties never reported contributing or transferring those funds to the DNC. At the very least, Democratic state parties throughout the nation failed to provide public transparency of their byzantine and intentionally convoluted financial transactions.

An FEC investigation is likely to confirm, however, the existence of an unprecedented scheme, staggering in scale, to solicit and accept tens of millions of dollars in earmarked contributions and launder them through dozens of state parties to the DNC to be used for the benefit, and subject to the control, of Hillary Clinton's presidential campaign, resulting in vastly excessive contributions to the DNC and HFA.

RELEVANT CAMPAIGN FINANCE LAWS

- 46. Contribution Limits—52 U.S.C. § 30116(a)(1)(B), as adjusted for inflation by 80 FED. REG. at 5,752, permitted a person to contribute no more than \$33,400 per year to a national political party committee's principal account during the 2015-16 election cycle.
- 47. Reporting Requirements—52 U.S.C. § 30104(a)(4) requires "[a]ll political committees other than authorized committees of a candidate" to file periodic reports with the FEC.
- a. Section 30104(b)(2)(C), (F) specify such reports must disclose the total amount of "contributions from other political committees" and "transfers from affiliated committees and, where the reporting committees is a political party committee, transfers from other political party committees, regardless of whether such committees are affiliated."
- b. Section 30104(b)(3)(B), (D) specify such reports for political party committees must disclose each transfer of funds from another political committee.

¹ Federal law also allows a person to contribute up to \$100,200 to each *McCutcheon* account of a national political party committee established for specific purposes, including presidential nominating conventions, recounts, and headquarters buildings. 52 U.S.C. § 30116(a)(1)(B), (a)(9)(A)-(C). These accounts are not pertinent to this Complaint.

- c. Section 30104(b)(4)(C) specifies such reports for political party committees must disclose "transfers to other political party committees, regardless of whether they are affiliated."
- d. Section 30104(b)(5)(C) specifies such reports for political party committees must disclose "each transfer of funds... to another political party committee, regardless of whether such committees are affiliated, together with the date and amount of such transfers."
- e. Section 30104(b)(6)(B)(i) specifies such reports for non-authorized committees must disclose the "date and amount" of any contribution to a political committee.
- 48. Earmarking Prohibitions—52 U.S.C. § 30116(a)(8) provides, "[A]Il contributions made by a person, either directly or indirectly, on behalf of a particular candidate, including contributions which are in any way earmarked or otherwise directed through an intermediary or conduit to such candidate, shall be treated as contributions from such person to such candidate. The intermediary or conduit shall report the original source and the intended recipient of such contribution to the Commission and to the intended recipient." Accord 11 C.F.R. § 110.6(a), (c)(1)(i).
- 49. Prohibition on Contributions in the Name of Another—52 U.S.C. § 30122 provides, "No person shall make a contribution in the name of another person or knowingly permit his name to be used to effect such a contribution, and no person shall knowingly accept a contribution made by one person in the name of another person."

ACCORDING TO PUBLICLY AVAILABLE FEC REPORTS, CONTRIBUTIONS WERE CONSISTENTLY FUNNELED FROM THE HILLARY VICTORY FUND THROUGH STATE PARTIES TO THE DNC

50. According to reports filed with the FEC by HVF, the DNC, and dozens of Democratic state parties, for more than a year, over 80 million dollars in contributions to HVF

were funneled through state parties to the DNC, which made coordinated expenditures with the Clinton campaign and was controlled by it.

- 51. According to reports filed with the FEC, in each series of transactions, HVF disbursed contributions it received to its state party committee members (as required for JFCs) and those state parties received the funds the same day. HVF would disburse funds to up to 40 state parties at a time. That same day, or on occasion the very next day, each and every one of those state parties immediately contributed all of the funds to the DNC.
- 52. It appears virtually every single disbursement from HVF to a state party resulted in an immediate transfer of the same amount of funds from the state party to the DNC. Over 99% of funds transferred through HVF to state parties wound up at the DNC (which, as explained below, made coordinated expenditures with HFA and otherwise spent its funds subject to the oversight, direction, and control of HFA).
- 53. The uniformity, regularity, magnitude, immediacy, and extent of these reported transfers—every single state party transferring every single disbursement it received from HVF, in its entirety, exclusively to the DNC, immediately upon receipt—unavoidably implies HVF's members had an understanding or agreement they would automatically funnel funds they received through HVF to the DNC.
- 54. Exhibit 1 to this Complaint is an Excel spreadsheet derived exclusively from publicly available FEC reports filed by Respondents. Each row reflects a separate occasion on which contributions to HVF flowed through state parties directly to the DNC, usually on the same day and no later than the next day. Each row contains citations to the specific FEC reports documenting each step of each purported transaction.

- 55. As discussed at greater length below, several of these alleged transactions were reported incompletely. HVF reported transferring funds to a state party, but that party never reported receiving them and/or contributing them to the DNC. The DNC nevertheless reported receiving the same amount of funds from that state party on the same day. At a minimum, millions of dollars in financial transactions among these Democratic political committees were omitted from statutorily required public reports, thereby hindering public scrutiny.
- It defies credulity to believe that, on hundreds of occasions, dozens of state parties 56. around the country all independently received tens or hundreds of thousands of dollars from HVF, immediately decided to transfer all of those funds to the DNC, and successfully executed those transactions all on the same day. On information and belief, it is also reasonably possible the alleged transfers of HVF's funds to state parties never actually occurred, and all of the funds at issue were actually transferred directly from HVF to the DNC, rendering all FEC reports concerning these alleged transactions fraudulent. In the alternative, public statements indicate the JFC and/or HFA may have moved some funds in and out of participants' accounts without the state parties' knowledge or permission, thus never actually devolving custody or control of the funds to the state parties. Kenneth P. Vogel & Isaac Arnsdorf, Clinton Fundraising Leaves Little for State Parties, POLITICO (May 2, 2016, 5:21 A.M.) ("While state party officials were made aware that Clinton's campaign would control the movement of the funds between participating committees, one operative who has relationships with multiple state parties said that some of their officials have complained that they weren't notified of the transfers into and out of their accounts until after the fact."), at https://www.politico.com/story/2016/04/clinton-fundraising-leaves-littlefor-state-parties-222670. If the JFC, HFA, or either of those entities' Treasurers retained control of the JFC's funds even after they had been transferred into the state parties' accounts, those

transfers would be shell transactions attempting to camouflage the unlawful transfer of JFC-controlled funds to the DNC.

- 57. Each alleged transaction followed the identical structure:
- a. HVF reported transferring a certain amount of funds to its state party members on a particular day. For example, as discussed below HVF reported transferring a total of \$505,000 to 17 of its state party members on November 2, 2015, including \$43,500 to the Alaska Democratic Party. See Exhibit 1, Row 15 (citing FEC Report # FEC-1180810 (amended), page 1387, Transaction ID # D22506).
- b. Except as otherwise noted, each of those state party members reported receiving transfers in the identical amounts of funds from HVF on the very same day. For example, the Alaska Democratic Party reported receiving \$43,500 from HVF on November 2, 2015. See Exhibit 1, Row 15 (citing FEC Report ID # FEC-1036643, page 36, Transaction ID # VR029EM5A75).
- c. Except as otherwise noted, each of those state party members then reported contributing the same amount of money they received from HVF to the DNC on the very same day (or occasionally the next day). For example, the Alaska Democratic Party reported transferring \$43,500 to the DNC on November 2, 2015. See Exhibit 1, Row 15 (citing FEC Report # FEC-1036643, page 53, Transaction ID # VQZ31A45P85).
- d. Finally, the DNC reported receiving the same amount of funds, generally on the same day. For example, the DNC reported receiving \$43,500 from the Alaska Democratic Party on November 1 [sic], 2015. See Exhibit 1, Row 15 (citing FEC Report # FEC-1039017 (amended), page 6204, Transaction ID # C32017336). This particular example, which suggests the

DNC received the \$43,500 *before* it had been transferred, shows how many of the transfers in this complex scheme were inconsistently or inaccurately reported.

e. Each transfer of funds from HVF, allegedly through a state party committee, to the DNC is recorded in a separate row of Exhibit 1. The last cell in each row cites the specific FEC reports that document—or fail to document—each step of the transaction. For example, Row 15 of Exhibit 1 sets explains the \$43,500 transfer through the Alaska Democratic Party:

- f. Through hundreds of transactions with this identical structure outlined in Exhibit 1, HVF funneled over 80 million dollars through state parties directly to the DNC, starting in October 2015.
- State party committees on October 1, 2015. See Exhibit 1, Rows 2-10. The amount of each individual transfer was \$24,000. Id. Each of those 9 state party committees reported receiving a transfer of \$24,000 from HVF that same day. Id. Each of those 9 state party committees also reported transferring precisely the same amount of funds to the DNC on the same day or the very next day, October 2, 2015. Id. The DNC reported receiving transfers of \$24,000 from each of those committees on October 2, 2015. Id. Through these transactions, a total of \$216,000 was transferred from HVF, through 9 state party committees, to the DNC on or about October 1, 2015. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

59. HVF reported transferring a total of \$48,000 to two of its other member state party committees, also on October 1, 2015, including \$24,000 each to the Mississippi Democratic Party and the Utah State Democratic Committee. See Exhibit 1, Rows 12-13. Neither of those entities reported receiving any transfers from the HVF on or about that day, however. Id. And neither of those entities reported transferring funds to the DNC on or about that day. Id. Nevertheless, the DNC reported receiving transfers of \$24,000 each from the Mississippi Democratic Party and Utah State Democratic Committee on October 2, 2015. Id. Through these transactions, a total of \$48,000 was transferred from HVF, purportedly through two additional state party committees, to the DNC on or about October 2, 2015. It is reasonably possible HVF never actually transferred funds to these or any other state parties on or about October 2, 2015, but rather transferred those funds directly to the DNC, and/or some or all of these state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

60. November 2015—HVF reported transferring a total of \$505,000 to 17 of its member state party committees on November 2, 2015. See Exhibit 1, Rows 15-31. The amount of each individual transfer was between \$19,500 and \$45,000. Id. Each of those 17 state party committees reported receiving a transfer from HVF that same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of those 17 state party committees also reported transferring precisely the same amount of funds to the DNC on the same day. Id. The DNC reported receiving transfers from those committees on November 1 [sic], 2015, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$505,000 was transferred from HVF, through 17 state party committees, to the DNC on or about November 2, 2015. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

62. December 2015—HVF reported transferring a total of \$799,400 to 26 of its member state party committees on December 1, 2015. See Exhibit 1, Rows 38-63. The amount of each individual transfer was between \$14,600 and \$66,200. Id. Each of those 26 state party committees reported receiving a transfer from HVF that same day or the next day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of those 26 state party committees also reported transferring precisely the same amount of funds to the DNC on either December 1 or 2, 2015—except for the Colorado Democratic Party, which reported it transferred its funds to the DNC on December 7. Id. The DNC nevertheless reported receiving transfers from all those committees (including Colorado) on December 2, 2015, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$799,400 was transferred from HVF, through 26 state party committees, to the DNC on or about December 1, 2015. The fact the DNC reported receiving all 26 transfers on the same date of December 2, 2015, despite the fact state party committees reported making the transfers at different times (including December 7) makes it reasonably possible HVF never actually transferred funds to these or any other state parties on or about December 1, 2015, but rather transferred those funds directly to the DNC. It is also reasonably possible some or all of these state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

63. HVF reported transferring a total of \$83,600 to two of its other member state party committees, also on December 1, 2015, including \$63,000 to the Democratic Party of Arkansas and \$20,600 to the Massachusetts Democratic State Committee. See Exhibit 1, Rows 65-66. Both

of those entities reported receiving transfers from the HVF for the same amount of funds either the same day or the next day. *Id.* Neither of those entities reported transferring funds to the DNC on or about that day. *Id.* Nevertheless, the DNC reported receiving \$63,000 from the Democratic Party of Arkansas and \$20,600 from the Massachusetts Democratic State Committee on December 2, 2015. Through these transactions, a total of \$83,600 was transferred from HVF, purportedly through two additional state party committees, to the DNC on or about December 2, 2015. It is reasonably possible HVF never actually transferred funds to these or any other state parties on or about December 2, 2015, but rather transferred those funds directly to the DNC. It is also reasonably possible these state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

64. January 2016—HVF reported transferring a total of \$1,527,278.19 to 16 of its member state party committees on January 4, 2016. See Exhibit 1, Rows 68-83. The amount of each individual transfer was between \$70,000 and \$207,278.19. Id. Each of those 16 state party committees reported receiving a transfer from HVF that same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of those 16 state party committees also reported transferring precisely the same amount of funds to the DNC on the same day (except for the Wisconsin Democratic Party, which reported transferring \$207,000 rather than \$207,278.18). Id. The DNC reported receiving transfers from all those committees, including \$207,000 from the Wisconsin Democratic Party, on the same day (January 4, 2016), with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$1,527,000 was transferred from HVF, through 16 state party

committees, to the DNC on January 4, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

Executive Committee, also on January 4, 2016. See Exhibit 1, Row 85. The Kentucky State Democratic Central Executive Committee did not report receiving any funds from HVF on or about this date. Id. It nevertheless reported transferring \$73,000 to the DNC that day, and the DNC reported receiving \$73,000 from the Kentucky State Democratic Central Executive Committee that same day. Id. Through these transactions, a total of \$73,000 was transferred from HVF, purportedly through the Kentucky State Democratic Central Executive Committee, to the DNC on January 4, 2016. It is reasonably possible HVF never actually transferred funds to the Kentucky

State Democratic Central Executive Committee or any other state parties on or about January 4, 2016, but rather transferred those funds directly to the DNC, and/or the Kentucky State Democratic Central Executive Committee had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

66. April 2016—HVF reported transferring a total of \$707,000 to four of its member state party committees on April 25, 2016. See Exhibit 1, Rows 87-90. The amount of each individual transfer was between \$176,000 and \$179,000. Id. Each of those four state party committees reported receiving a transfer from HVF that same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of those four state party committees also reported transferring precisely the same amount of funds to the DNC on the same day. Id. The DNC reported receiving transfers from all those committees on the same day (April 25, 2016), with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$707,000 was transferred from HVF, through four state party committees, to the DNC on April 25, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

67. May 2016—HVF reported transferring a total of \$900,000 to four of its member state party committees on May 12, 2016. See Exhibit 1, Rows 92-95. The amount of each

individual transfer was between \$150,000 and \$300,000. Id. Each of those four state party committees reported receiving a transfer from HVF, corresponding to the amount of funds HVF had reported transferring to it. Id. Oddly, even though HVF claims it transferred the funds to each committee on May 12, the Democratic State Central Committee of Louisiana claims it received its \$300,000 on May 6: the Georgia Federal Election Committee claims it received its \$150,000 on May 11; and the Oklahoma Democratic Party likewise claims it received its \$300,000 on May 11. Each of these four state party committees also reported transferring precisely the same amounts of funds they reported having received to the DNC on dates ranging from May 6 through May 12. Id. The DNC nevertheless reported receiving transfers from all those committees on the same day, May 12, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$900,000 was transferred from HVF, through four state party committees, to the DNC on May 12, 2016. It is reasonably possible HVF never actually transferred funds to these four state party committees on or about May 12, 2016, but rather transferred those funds directly to the DNC, and/or these state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

68. HVF reported transferring \$100,000 to the Idaho State Democratic Party, also on May 12, 2016. See Exhibit 1, Row 97. The Idaho State Democratic Party did not report receiving any funds from HVF on or about this date. Id. It also did not report transferring any funds to the DNC on or about that date. Id. Nevertheless, the DNC reported receiving a transfer of \$100,000

from the Idaho State Democratic Party on May 12, 2016. *Id.* Through these transactions, a total of \$100,000 was transferred from HVF, purportedly through the Idaho State Democratic Party, to the DNC on May 12, 2016. It is reasonably possible HVF never actually transferred funds to the Idaho State Democratic Party or any other state parties on or about May 12, 2016, but rather transferred those funds directly to the DNC. It is also reasonably possible the Idaho State Democratic Party had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

69. Early July 2016—HVF reported transferring a total of \$5,000,000 to 8 of its member state party committees on July 13, 2016. See Exhibit 1, Rows 99-106. The amount of each individual transfer was between \$600,000 and \$740,000. Id. Each of those eight state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these eight state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, July 13, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$5,000,000 was transferred from HVF, through 8 state party committees, to the DNC on July 13, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

Tate July 2016—HVF reported transferring a total of \$5,438,000 to 13 of its member state party committees on July 26, 2016. See Exhibit 1, Rows 108-120. The amount of each individual transfer was between \$150,000 and \$800,000. Id. Each of those 13 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 13 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, July 26, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$5,438,000 was transferred from HVF, through 13 state party committees, to the DNC on July 26, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

71. Early August 2016—HVF reported transferring a total of \$4,795,000 to 17 of its member state party committees on August 11, 2016. See Exhibit 1, Rows 122-138. The amount of each individual transfer was between \$100,000 and \$875,000. Id. Each of those 17 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 17 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, August 11, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$4,795,000 was transferred from HVF, through 17 state party committees, to the DNC on August 11, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

August 13, 2016. See Exhibit 1, Row 140. The Democratic Party of Arkansas reported receiving those funds on August 11, 2016, however. Id. It also reported transferring \$700,000 to the DNC on August 11, 2016, and the DNC reported receiving those funds the same day. Id. Through these transactions, a total of \$700,000 was transferred from HVF, purportedly through the Democratic Party of Arkansas, to the DNC on August 13, 2016. It is reasonably possible HVF never actually transferred funds to the Democratic Party of Arkansas or any other state parties on or about August 11 or 13, 2016, but rather transferred those funds directly to the DNC, and/or the Democratic Party or Arkansas had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

Tate August 2016—HVF reported transferring a total of \$5,500,000 to 16 of its member state party committees on August 26, 2016. See Exhibit 1, Rows 142-157. The amount of each individual transfer was between \$300,000 and \$600,000. Id. Each of those 16 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 16 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, August 26, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$5,500,000 was transferred from HVF, through 16 state party committees, to the DNC on August 26, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

74. Early September 2016—HVF reported transferring a total of \$3,200,000 to 8 of its member state party committees on September 12, 2016. See Exhibit 1, Rows 159-166. The amount of each individual transfer was between \$300,000 and \$700,000. Id. Each of those 8 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 8 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, September 12, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$3,200,000 was transferred from HVF, through 8 state party committees, to the DNC on September 12, 2016. It is reasonably

possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

To the transferring \$350,000 to the WV State Democratic Executive Committee, also on September 12, 2016. See Exhibit 1, Row 168. The WV State Democratic Executive Committee did not report receiving any funds from HVF on or about this date. Id. It also did not report transferring any funds to the DNC on or about that date. Id. Nevertheless, the DNC reported receiving a transfer of \$350,000 from the WV State Democratic Executive Committee on September 12, 2016. Id. Through this transaction, \$350,000 was transferred from HVF, purportedly through the WV State Democratic Executive Committee, to the DNC on September 12, 2016. It is reasonably possible HVF never actually transferred funds to the WV State Democratic Executive Committee or any other state parties on or about September 12, 2016, but rather transferred those funds directly to the DNC, and/or the WV State Democratic Executive Committee had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

76. Late September 2016—HVF reported transferring a total of \$2,850,000 to 7 of its member state party committees on September 26, 2016. See Exhibit 1, Rows 170-176. The amount

of each individual transfer was between \$300,000 and \$1,000,000. *Id.* Each of those 7 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. *Id.* Each of these 7 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, September 26, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. *Id.* Through these transactions, a total of \$2,850,000 was transferred from HVF, through 7 state party committees, to the DNC on September 26, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

77. HVF reported transferring \$300,000 to the Mississippi Democratic Party, also on September 26, 2016. See Exhibit 1, Row 177. The Mississippi Democratic Party reported receiving \$350,000 from HVF on that date, however. Id. It also reported transferring \$350,000 to the DNC on that date. Id. The DNC however, reported receiving a transfer of \$300,000 from the Mississippi Democratic Party on September 26, 2016. Id. Through this transaction, at least \$300,000 was transferred from HVF, purportedly through the Mississippi Democratic Party, to the DNC on September 26, 2016. It is reasonably possible HVF never actually transferred funds to the

Mississippi Democratic Party or any other state parties on or about September 26, 2016, but rather transferred those funds directly to the DNC, and/or the Mississippi Democratic Party had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

October 6, 2016—HVF reported transferring a total of \$2,750,000 to 7 of its member state party committees on October 6, 2016. See Exhibit 1, Rows 179-185. The amount of each individual transfer was between \$100,000 and \$1,200,000. Id. Each of those 7 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 7 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, October 6, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$2,750,000 was transferred from HVF, through 7 state party committees, to the DNC on October 6, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

October 6, 2016. See Exhibit 1, Row 187. The Kansas Democratic Party did not report receiving any funds from HVF on or about this date. Id. It also did not report transferring any funds to the DNC on or about that date. Id. Nevertheless, the DNC reported receiving a transfer of \$900,000 from the Kansas Democratic Party on October 6, 2016. Id. Through this transaction, \$900,000 was transferred from HVF, purportedly through the Kansas Democratic Party, to the DNC on October 6, 2016. It is reasonably possible HVF never actually transferred funds to the Kansas Democratic Party or any other state parties on or about October 6, 2016, but rather transferred those funds directly to the DNC, and/or the Kansas Democratic Party had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

80. October 7, 2016—HVF reported transferring \$550,000 to the Texas Democratic Party on October 7, 2016. See Exhibit 1, Rows 189. The Texas Democratic Party reported receiving a transfer of \$550,000 from HVF on the same day. Id. The Texas Democratic Party also reported transferring \$550,000 to the DNC that same day. Id. The DNC reported receiving \$550,000 from the Texas Democratic Party on the same day, October 7, 2016. Id. Through these transactions, \$550,000 was transferred from HVF, through the Texas Democratic Party, to the DNC on October 6, 2016. It is reasonably possible the Texas Democratic Party had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

81. October 11, 2016—HVF reported transferring a total of \$8,400,000 to 11 of its member state party committees on October 11, 2016. See Exhibit 1, Rows 191-201. The amount of each individual transfer was between \$250,000 and \$1,200,000. Id. Each of those 11 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 11 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, October 11, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$8,400,000 was transferred from HVF, through 11 state party committees, to the DNC on October 11, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

82. October 18, 2016—HVF reported transferring a total of \$4,000,000 to 3 of its member state party committees on October 18, 2016. See Exhibit 1, Rows 203-205. The amount of each individual transfer was between \$600,000 and \$2,100,000. Id. Each of those 3 state party

committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. *Id.* Each of these 3 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, October 18, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. *Id.* Through these transactions, a total of \$4,000,000 was transferred from HVF, through 3 state party committees, to the DNC on October 18, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

Executive Committee, also on October 18, 2016. See Exhibit 1, Row 207. The Kentucky State Democratic Central Executive Committee did not report receiving any funds from HVF on or about this date. Id. It reported transferring \$275,000 to the DNC on that date, however, and the DNC reported receiving a transfer of \$275,000 from the Kentucky State Democratic Central Executive Committee the same day, October 18, 2016, as well. Id. Through this transaction, \$275,000 was transferred from HVF, purportedly through the Kentucky State Democratic Central Executive Committee, to the DNC on October 18, 2016. It is reasonably possible HVF never actually transferred funds to the Kentucky State Democratic Central Executive Committee or any other state parties on or about October 18, 2016, but rather transferred those funds directly to the DNC, and/or the Kentucky State Democratic Central Executive Committee had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

84. October 20, 2016—HVF reported transferring a total of \$8,345,000 to 21 of its member state party committees on October 20, 2016. See Exhibit 1, Rows 209-229. The amount of each individual transfer was between \$75,000 and \$1,300,000. Id. Each of those 21 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 21 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, October 20, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$8,345,000 was transferred from HVF, through 21 state party committees, to the DNC on October 20, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

85. October 24, 2016—HVF reported transferring a total of \$1,018,000 to 4 of its member state party committees on October 24, 2016. See Exhibit 1, Rows 231-234. The amount of each individual transfer was between \$118,000 and \$400,000. Id. Each of those 4 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 4 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, October 24,

2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. *Id.* Through these transactions, a total of \$1,018,000 was transferred from HVF, through 4 state party committees, to the DNC on October 24, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

86. HVF reported transferring a total of \$1,225,000 to two of its other member state party committees, also on October 24, 2016, including \$400,000 to the Democratic State Central Committee of LA, and \$825,000 to the Democratic Party of Arkansas. See Exhibit 1, Rows 236-37. Neither of those entities reported receiving any transfers from the HVF on or about that day, however. Id. The Democratic Party of Arkansas did not report transferring any funds to the DNC on or about that day, either; the Democratic State Central Committee of LA reported transferring \$400,000 to the DNC that day. Id. The DNC reported receiving contributions of \$400,000 from the Democratic State Central Committee of LA and \$825,000 from the Democratic Party of Arkansas on October 24, 2016. Id. Through these transactions, a total of \$1,225,000 was transferred from HVF, purportedly through two additional state party committees, to the DNC on or about October 24, 2016. It is reasonably possible HVF never actually transferred funds to these or any other state parties on or about October 24, 2016, but rather transferred those funds directly to the DNC, and/or these state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

87. October 26, 2016—HVF reported transferring a total of \$7,115,000 to 27 of its member state party committees on October 26, 2016. See Exhibit 1, Rows 239-265. The amount of each individual transfer was between \$20,000 and \$1,100,000. Id. Each of those 27 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 27 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, October 26, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$7,115,000 was transferred from HVF, through 27 state party committees, to the DNC on October 26, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

88. HVF reported transferring \$125,000 to the Democratic Party of Arkansas, also on October 26, 2016. See Exhibit 1, Row 267. The Democratic Party of Arkansas did not report receiving any funds from HVF on or about that date. Id. It likewise did not report transferring any

funds to the DNC on or about that date, either. *Id.* The DNC reported receiving a transfer of \$125,000 from the Democratic Party of Arkansas the same day, October 26, 2016, as well. *Id.* Through this transaction, \$125,000 was transferred from HVF, purportedly through the Democratic Party of Arkansas, to the DNC on October 26, 2016. It is reasonably possible HVF never actually transferred funds to the Democratic Party of Arkansas or any other state parties on or about October 18, 2016, but rather transferred those funds directly to the DNC, and/or the Democratic Party of Arkansas had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

89. October 27, 2016—HVF reported transferring a total of \$2,075,000 to 22 of its member state party committees on October 26, 2016. See Exhibit 1, Rows 269-290. The amount of each individual transfer was between \$20,000 and \$900,000. Id. Each of those 22 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 22 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, October 27, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$2,075,000 was transferred from HVF, through 22 state party committees, to the DNC on October 27, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

90. HVF reported transferring \$15,000 to the Democratic Party of Arkansas, also on October 27, 2016. See Exhibit 1, Row 292. The Democratic Party of Arkansas did not report receiving any funds from HVF on or about that date. Id. It likewise did not report transferring any funds to the DNC on or about that date, either. Id. The DNC reported receiving a transfer of \$15,000 from the Democratic Party of Arkansas the same day, October 27, 2016, as well. Id. Through this transaction, \$15,000 was transferred from HVF, purportedly through the Democratic

Party of Arkansas, to the DNC on October 27, 2016. It is reasonably possible HVF never actually transferred funds to the Democratic Party of Arkansas or any other state parties on or about October 27, 2016, but rather transferred those funds directly to the DNC, and/or the Democratic Party of Arkansas had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

91. October 31, 2016—HVF reported transferring a total of \$2,862,000 to 28 of its member state party committees on October 31, 2016. See Exhibit 1, Rows 294-321. The amount of each individual transfer was between \$32,000 and \$540,000. Id. Each of those 28 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 28 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, October 31, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$2,862,000 was transferred from HVF, through 28 state party committees, to the DNC on October 31, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

92. HVF reported transferring a total of \$247,000 to two of its other member state party committees, also on October 31, 2016, including \$200,000 to the Democratic State Central

Committee of LA, and \$47,000 to the Democratic Party of Arkansas. See Exhibit 1, Rows 323-24. Neither of those entities reported receiving any transfers from the HVF on or about that day, however. Id. The Democratic Party of Arkansas did not report transferring any funds to the DNC on or about that day, either; the Democratic State Central Committee of LA reported transferring \$200,000 to the DNC that day. Id. The DNC reported receiving contributions of \$200,000 from the Democratic State Central Committee of LA and \$47,000 from the Democratic Party of Arkansas on October 31, 2016. Id. Through these transactions, a total of \$247,000 was transferred from HVF, purportedly through two additional state party committees, to the DNC on or about October 31, 2016. It is reasonably possible HVF never actually transferred funds to these or any other state parties on or about October 31, 2016, but rather transferred those funds directly to the DNC, and/or these state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

93. November 2, 2016—HVF reported transferring a total of \$1,968,000 to 22 of its member state party committees on November 2, 2016. See Exhibit 1, Rows 326-347. The amount of each individual transfer was between \$57,000 and \$750,000. Id. Each of those 22 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 22 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, November 2, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$1,968,000 was transferred

from HVF, through 22 state party committees, to the DNC on November 2, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

94. HVF reported transferring \$58,000 to the Democratic Party of Arkansas, also on November 2, 2016. See Exhibit 1, Row 349. The Democratic Party of Arkansas did not report receiving any funds from HVF on or about that date. *Id.* It likewise did not report transferring any

funds to the DNC on or about that date, either. *Id.* The DNC reported receiving a transfer of \$58,000 from the Democratic Party of Arkansas the same day, November 2, 2016, as well. *Id.* Through this transaction, \$58,000 was transferred from HVF, purportedly through the Democratic Party of Arkansas, to the DNC on November 2, 2016. It is reasonably possible HVF never actually transferred funds to the Democratic Party of Arkansas or any other state parties on or about November 2, 2016, but rather transferred those funds directly to the DNC, and/or the Democratic Party or Arkansas had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

95. November 3, 2016—HVF reported transferring a total of \$5,772,000 to 34 of its member state party committees on November 3, 2016. See Exhibit 1, Rows 351-384. The amount of each individual transfer was between \$24,000 and \$744,000. Id. Each of those 34 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 34 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, November 3, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$5,772,000 was transferred from HVF, through 34 state party committees, to the DNC on November 3, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

- 96. HVF reported transferring a total of \$1,870,000 to four of its other member state party committees, also on November 3, 2015, including \$112,000 to the Democratic State Central Committee of LA, \$24,000 to the Democratic Party of Arkansas, \$204,000 to the Minnesota Democrat-Farmer-Labor Party, and \$1,530,000 to the Nevada State Democratic Party. *See* Exhibit 1, Rows 386-389.
- a. The Democratic State Central Committee of LA, Democratic Party of Arkansas, and Nevada State Democratic Party did not report receiving any transfers from HVF on or about that day. See Exhibit 1, Rows 386-387, 389.
- b. The Minnesota Democrat-Farmer-Labor Party reported receiving \$204,000 from HVF on November 3, 2015. *Id. See* Exhibit 1, Row 388.
- c. The Democratic Party of Arkansas, the Minnesota Democrat-Farmer-Labor Party, and the Nevada State Democratic Party did not report transferring any funds to the DNC on November 3, 2015. See Exhibit 1, Rows 387-89.
- d. The Democratic State Central Committee of LA reported transferring \$112,000 to the DNC on November 3, 2015. See Exhibit 1, Row 386.
- e. The DNC reported receiving \$112,000 from the Democratic State Central Committee of LA, \$24,000 from the Democratic Party of Arkansas, \$204,000 from the Minnesota Democrat-Farmer-Labor Party, and \$1,530,000 from the Nevada State Democratic Party. See Exhibit 1, Rows 386-389.
- f. Through these transactions, a total of \$1,870,000 was transferred from HVF, purportedly through four additional state party committees, to the DNC on or about November 3, 2015. It is reasonably possible HVF never actually transferred funds to these or any other state parties on or about November 3, 2015, but rather transferred those funds directly to the

DNC, and/or these state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

November 7, 2016—HVF reported transferring a total of \$789,000 to 33 of its member state party committees on November 7, 2016. See Exhibit 1, Rows 391-423. The amount of each individual transfer was between \$9,000 and \$40,000. Id. Each of those 33 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 33 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, November 7, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$789,000 was transferred from HVF, through 33 state party committees, to the DNC on November 7, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

- 98. HVF reported transferring a total of \$124,000 to five of its other member state party committees, also on November 7, 2016, including \$21,000 to the Alaska Democratic Party, \$16,000 to the Democratic State Central Committee of LA, \$29,000 to the Democratic Party of Arkansas, \$24,000 to the Minnesota Democrat-Farmer-Labor Party, and \$34,000 to the Nevada State Democratic Party. See Exhibit 1, Rows 425-429.
- a. The Alaska Democratic Party, Democratic State Central Committee of LA, Democratic Party of Arkansas, and Nevada State Democratic Party did not report receiving any transfers from HVF on or about that day. See Exhibit 1, Rows 425-427, 429.
- b. The Minnesota Democrat-Farmer-Labor Party reported receiving \$24,000 from HVF on November 7, 2016. *Id. See* Exhibit 1, Row 428.
- c. The Democratic Party of Arkansas, the Minnesota Democrat-Farmer-Labor Party, and the Nevada State Democratic Party did not report transferring any funds to the DNC on or about November 7, 2015. *See* Exhibit 1, Rows 427-429.
- d. The Alaska Democratic Party reported transferring \$21,000 and the Democratic State Central Committee of LA reported transferring \$16,000 to the DNC on November 7, 2016. See Exhibit 1, Row 425-426.
- e. The DNC reported receiving \$21,000 from the Alaska Democratic Party, \$16,000 from the Democratic State Central Committee of LA, \$29,000 from the Democratic Party of Arkansas, \$24,000 from the Minnesota Democrat-Farmer-Labor Party, and \$34,000 from the Nevada State Democratic Party on November 7, 2016. See Exhibit 1, Rows 425-429.
- f. Through these transactions, a total of \$124,000 was transferred from HVF, purportedly through five additional state party committees, to the DNC on or about November 7, 2016. It is reasonably possible HVF never actually transferred funds to these or any other state

parties on or about November 7, 2015, but rather transferred those funds directly to the DNC, and/or these state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

of its member state party committees on November 8, 2016. See Exhibit 1, Rows 431-458. The amount of each individual transfer was between \$29,000 and \$64,000. Id. Each of those 28 state party committees reported receiving a transfer from HVF on the same day, corresponding to the amount of funds HVF had reported transferring to it. Id. Each of these 28 state party committees also reported transferring precisely the same amounts of funds they received to the DNC that same day. The DNC reported receiving transfers from all those committees on the same day, November 8, 2016, with each transfer equaling the amount of funds the state party committee had reported it was sending to the DNC. Id. Through these transactions, a total of \$1,063,000 was transferred from HVF, through 28 state party committees, to the DNC on November 8, 2016. It is reasonably possible some or all of the state parties had no prior knowledge of, or control over, these transfers because they were handled entirely by HVF, the DNC, HFA, and/or their Treasurers.

100. It also appears one or more transactions were incorrectly reported or completely omitted concerning transfers that purportedly occurred on November 8 among HVF, the DNC, and the following state parties: Democratic State Central Committee of LA, Democratic Party of

Arkansas, Nevada State Democratic Party, Indiana Democratic Congressional Victory Committee, Idaho State Democratic Party, Maine Democratic Party, Massachusetts State Democratic Committee, North Carolina Democratic Party Federal, Democratic Party of Wisconsin, and Iowa Democratic Party. See Exhibit 1, Rows 460-469.

THE DNC CONTRIBUTED TO HFA MOST OF THE FUNDS IT RECEIVED FROM HVF THROUGH THE STATE PARTIES, COORDINATED ITS EXPENDITURES WITH HFA, AND OTHERWISE SPENT ITS FUNDS SUBJECT TO THE DIRECTION AND CONTROL OF HFA

102. Between October 1, 2015 and Election Day, when funds were being funneled from HVF through the state parties to the DNC, the DNC transferred much of those funds to HFA; engaged in coordinated expenditures with HFA; and otherwise gave direction, oversight, and control of its funds, including funds that originated with HVF, to HFA and Clinton.

Contributions from the DNC to HFA

- 103. According to press reports, between October 1, 2015 and Election Day, the DNC contributed substantial amounts of money to HFA, including funds that had originated from HVF and were transferred through state parties to the DNC.
- 104. Former DNC Chairwoman Donna Brazile publicly admitted funds funneled from HVF through state parties to the DNC were then passed along to HFA. She confessed:

Individuals who had maxed out their \$2,700 contribution limit to the campaign could write an additional check for \$353,400 to the Hillary Victory Fund—that figure represented \$10,000 to each of the 32 states' parties who were part of the Victory Fund agreement—\$320,000—and \$33,400 to the DNC. The money would be deposited in the states first, and transferred to the DNC shortly after that. Money in the battleground states usually stayed in that state, but all the other states funneled that money directly to the DNC, which quickly transferred the money to Brooklyn.

Coordinated Expenditures Between the DNC and HFA

- 106. Between October 1, 2015 and Election Day, while funds were being funneled from HVF through state parties to the DNC, the DNC also was engaged in coordinated expenditures with Clinton and HFA.
- 107. The following us a summary chart of the DNC's reported coordinated expenditures with HFA. For a complete listing with citations to FEC records, see Exhibit 2.

- 108. Citations to the FEC reports documenting each of these coordinated expenditures may be found in Exhibit 2.
- 109. These coordinated expenditures between the DNC and HFA establish the DNC was spending its money in cooperation with, or at the direction or suggestion of, HFA. Contributions to HVF that HVF and/or its member state parties earmarked for the DNC therefore may be treated as being made indirectly on behalf of Clinton.

HFA Control of DNC Expenditures

110. Finally, throughout much of the 2016 presidential campaign, Clinton and HFA exercised oversight, direction, and control over the expenditure of DNC funds, causing DNC accounts to be considered Clinton's accounts for purposes of federal campaign finance law.

- 111. Former DNC Chairwoman Donna Brazile publicly allocuted, "As Hillary's campaign gained momentum, she resolved the party's debt and put it on a starvation diet. It had become dependent on her campaign for survival, for which she expected to wield control of its operations." https://www.politico.com/magazine/story/2017/11/02/clinton-brazile-hacks-2016-215774
- 112. Gary Gensler, the Chief Financial Officer of HFA, stated the Democratic Party was "fully under the control of the Clinton campaign The campaign had the DNC on life support, giving it money every month to meet its basic expenses, while the campaign was using the party as a fund-raising clearinghouse." *Id*.
- 113. Brazile further revealed, "[T]he Joint Fund-Raising Agreement between the DNC, the Hillary Victory Fund, and Hillary for America. . . . specified that in exchange for raising money and investing in the DNC, Hillary would control the party's finances, strategy, and all the money raised. Her campaign had the right of refusal of who would be the party communications director, and it would make final decisions on all the other staff. The DNC also was required to consult with the campaign about all other staffing, budgeting, data, analytics, and mailings." Id. (emphasis added).
- In July 2016, *Politico* reported, "[W]hat happens to the cash in the Hillary Victory Fund after its initial distribution is left almost entirely to the *discretion of the Clinton campaign's chief operating officer*, Beth Jones, who serves as the treasurer of the victory fund." https://www.politico.com/story/2016/07/dnc-leak-clinton-team-deflected-state-cash-concerns-226191 (emphasis added).

- 115. Consequently, Clinton and HFA exercised oversight, direction, and control over funds over the DNC's funds, including funds the DNC obtained from HVF that were reported as flowing through the state parties.
- 116. It is highly likely—if not an unavoidable inference—at least some major donors were assured the substantial sums they contributed to HVF would wind up in the hands of, or under control of, the Clinton campaign and not were never actually intended to be retained or used by assorted state Democratic party committees.

THE DEMOCRATIC PARTY'S "MONEY LAUNDERING" CONSPIRACY THROUGH HVF IS EXACTLY THE TYPE OF ARRANGEMENT THE U.S. SUPREME COURT HELD WOULD BE ILLEGAL IN MCCUTCHEON V. FEC

117. In McCutcheon v. FEC, 134 S. Ct. 1434 (2014), the Supreme Court discussed a hypothetical in which:

a donor gives a \$500,000 check to a joint fundraising committee composed of a candidate, a national party committee, and most of the party's state party committees (actually, 47 of the 50). The committees divide up the money so that each one receives the maximum contribution permissible under the base limits, but then each transfers its allocated portion to the same single committee. That committee uses the money for coordinated expenditures on behalf of a particular candidate.

Id. at 1454-55 (quotation marks and citations omitted).

- 118. The Court held this scenario "seems unlikely." *Id.* at 1455 (quotation marks and citation omitted):
- 119. The Court further declared such an arrangement "relies on illegal earmarking." Id. at 1455 (emphasis added).
- 120. The Court explained, "[A] joint fundraising committee is simply a mechanism for individual committees to raise funds collectively, not to circumvent base limits or earmarking rules. Under no circumstances may a contribution to a joint fundraising committee result in an

allocation that exceeds the contribution limits applicable to its constituent parts; the committee is in fact required to return any excess funds to the contributor." Id. (citing 11 C.F.R. §§ 102.17(c)(5), 102.17(c)(6)(i)) (emphasis added). Moreover, "the earmarking provision prohibits an individual from directing funds 'through an intermediary or conduit' to a particular candidate," id. (citing 52 U.S.C. § 30116(a)(8)), even if an arrangement were only "implicit," id. (citing 11 C.F.R. § 110.6(b)(1)) (emphasis added).

- 121. The Court concluded, "[T]his circumvention scenario could not succeed without assuming that nearly 50 separate party committees would engage in a transparent violation of the earmarking rules." *Id*.
- 122. Not even the U.S. Supreme Court could anticipate the Democratic Party's brazen willingness to arrogantly flout federal law to rig the presidential nomination process and funnel tens of millions of dollars to Hillary Clinton while hypocritically attempting to discredit the legitimately elected President, Donald J. Trump.

CAUSES OF ACTION

COUNT I – AGAINST ALL RESPONDENTS Earmarked Contributions in Violation of 52 U.S.C. § 30116(a)(8) and 11 C.F.R. § 110.6

- 123. Complainant hereby re-alleges incorporates by reference the preceding paragraphs as if fully set forth herein.
- 124. Over 99% of contributions to HVF, totaling over \$80 million, were funneled through its state party member committees to the DNC.
- 125. The uniformity, regularity, magnitude, immediacy, and extent of these hundreds of reported transfers show contributions to HVF were directly or indirectly earmarked to be transferred through HVF's member state party committees to the DNC.

- 126. Public statements from the former Chairwoman and CFO of the Democratic Party corroborate the existence of this scheme.
- 127. Contributions from HVF's member state party committees to the DNC, in turn, were:
 - a. Transferred to HFA;
 - b. Used to fund expenditures coordinated between the DNC and HFA; and/or
- c. Spent subject to the direction, oversight, and control of HFA, rendering the DNC's account a candidate account for purposes of campaign finance law.
- 128. Through this shell game, contributions to HVF were directed through intermediaries to the DNC, which in turn:
 - a. Acted as a further intermediary to transfer such funds to HFA;
 - b. Engaged in coordinated expenditures with HFA; and/or
- c. Spent those funds subject to the direction, oversight, and control of HFA, rendering the DNC's account a candidate account for purposes of campaign finance law.
- 129. Contributions to HVF that HVF and/or its member state parties earmarked for the DNC therefore may be treated as being made indirectly on behalf of Clinton.
- 130. None of the Respondents reported these contributions in the manner required by 52 U.S.C. § 30116(a)(8) for earmarked contributions.

WHEREFORE, Respondents violated 52 U.S.C. § 30116(a)(8) and 11 C.F.R. § 110.6.

COUNT II – AGAINST RESPONDENTS DNC AND WILLIAM Q. DERROUGH Accepting Contributions in the Name of Another in Violation of 52 U.S.C. § 30122

131. Complainant hereby re-alleges incorporates by reference the preceding paragraphs as if fully set forth herein.

- 132. The DNC knowingly accepted contributions made by one person in the name of another in violation of 52 U.S.C. § 30122.
- 133. In applying 52 U.S.C. § 30122, it is necessary to "look past the intermediary's essentially ministerial role to the substance of the transaction." *United States v. O'Donnell*, 608 F.3d 546, 550 (9th Cir. 2010); *accord United States v. Whittemore*, 776 F.3d 1074, 1079 (9th Cir. 2015).
- 134. Over 99% of contributions to HVF, totaling over \$80 million, were funneled through its state party member committees to the DNC.
- 135. The uniformity, regularity, magnitude, immediacy, and extent of these hundreds of reported transfers show that, if those transactions actually occurred as reported, HVF's member state party committees were playing an essentially ministerial role. Over \$80 million in contributions to HVF was transferred into its state party members' accounts for moments, if at all, before being immediately transferred to the DNC pursuant to a longstanding, prearranged understanding, agreement, or arrangement among HVF, its member state party committees, the DNC, and HFA. HVF's state party committee members were used as pass-through intermediaries to funnel contributions from HVF to the DNC and ultimately HFA.
- 136. Public statements by state party committees that belonged to HVF confirm funds from HVF flowed through their accounts subject to the custody, direction, and control of HVF itself, the DNC, and/or HFA or their Treasurers.
- 137. In substance, contributions to HVF were not actually contributions to its member committees, but rather sham contributions papered through these willing co-conspirator intermediary state party committee members to the DNC itself (and ultimately HFA).

138. The DNC reported receiving contributions from HVF's member state party committees, rather than reporting the actual sources of the funds: HVF's contributors.

WHEREFORE, Respondent DNC violated 52 U.S.C. § 30122.

COUNT III – AGAINST RESPONDENTS DNC AND WILLIAM Q. DERROUGH Accepting Excessive Contributions in Violation of 52 U.S.C. § 30116(a)(1)(B)

- 139. Complainant hereby re-alleges incorporates by reference the preceding paragraphs as if fully set forth herein.
- 140. Over 99% of contributions to HVF, totaling over \$80 million, were funneled through its state party member committees to the DNC.
- 141. The uniformity, regularity, magnitude, immediacy, and extent of these hundreds of reported transfers show that, if those transactions actually occurred as reported, contributions to HVF were directly or indirectly earmarked to be transferred through HVF's member state party committees to the DNC, and HVF's member state party committees were playing an essentially ministerial role. These hundreds of virtually instantaneous transfers involving over \$80 million were part of a longstanding, prearranged understanding, agreement, or arrangement among HVF, its member state party committees, the DNC, and HFA.
- 142. Pursuant to 52 U.S.C. §§ 30116(a)(8) and 30122, contributions to HVF should not be treated as contributions to its member state party committees, but rather as contributions to the DNC. The state party committees, as mere straw man intermediaries, should be disregarded.
- 143. Any contributions to HVF that would have resulted in more than \$33,400 per contributor passing through its member state party committees to the DNC would violate federal limits on contributions from individuals to national political party committees, as adjusted for inflation. See 52 U.S.C. § 30116(a)(1)(B); 80 FED. REG. at 5,752.

144. The DNC knowingly and willfully accepted contributions in excess of federal limits.

WHEREFORE, Respondent DNC violated 52 U.S.C. § 30116(a)(1)(B).

COUNT IV – AGAINST RESPONDENTS DNC AND WILLIAM Q. DERROUGH False, Inaccurate, and/or Incomplete Reports in Violation of 52 U.S.C. § 30104

- 145. Complainant hereby re-alleges incorporates by reference the preceding paragraphs as if fully set forth herein.
- 146. Over 99% of contributions to HVF, totaling over \$80 million, were funneled through its state party member committees to the DNC.
- 147. The uniformity, regularity, magnitude, immediacy, and extent of these hundreds of reported transfers show that, if these transactions actually occurred as reported, contributions to HVF were directly or indirectly earmarked to be transferred through HVF's member state party committees to the DNC, and HVF's member state party committees were playing an essentially ministerial role. These hundreds of virtually instantaneous transfers involving hundreds of millions of dollars were part of a longstanding, prearranged understanding, agreement, or arrangement among HVF, its member state party committees, the DNC, and HFA.
- 148. Pursuant to 52 U.S.C. §§ 30116(a)(8) and 30122, contributions to HVF should not be treated as contributions to its member state party committees, but rather as contributions to the DNC.
- 149. The DNC did not report funds it received from HVF's member state party committees as contributions from HVF's contributors. Its statutorily required reports to the FEC throughout 2016 are therefore false, inaccurate, and/or incomplete.

WHEREFORE, Respondent DNC violated 52 U.S.C. § 30116(a)(1)(B).

COUNT V – AGAINST ALL RESPONDENTS False, Inaccurate, and/or Incomplete Reports in Violation of 52 U.S.C. § 30104

- 150. Complainant hereby re-alleges incorporates by reference the preceding paragraphs as if fully set forth herein.
- 151. Over 99% of contributions to HVF, totaling over \$80 million, were funneled through its state party member committees to the DNC.
- 152. The uniformity, regularity, magnitude, immediacy, and extent of these hundreds of reported transfers show that, if these transactions actually occurred as reported, contributions to HVF were directly or indirectly earmarked to be transferred through HVF's member state party committees to the DNC, and HVF's member state party committees were playing an essentially ministerial role. These hundreds of virtually instantaneous transfers involving hundreds of millions of dollars were part of a longstanding, prearranged understanding, agreement, or arrangement among HVF, its member state party committees, the DNC, and HFA.
- 153. It is reasonably possible HVF did not actually transfer contributions into its state party members' accounts for moments before they were immediately re-transferred to the DNC, but rather transferred those funds directly to the DNC. In the alternative, it is reasonably possible based on published press accounts featuring quotes from state party committees that HVF, the DNC, and/or HFA, or their Treasurers actually maintained control over contributions to HVF and executed the transactions to funnel those funds through the state party committees' accounts to the DNC without the state party committees' prior knowledge or consent concerning those transfers. In either case, Respondents' reports to the FEC claiming the funds were transferred through HVF's member state party committees were intentionally false.

WHEREFORE, on information and belief, it is reasonably possible Respondent DNC violated 52 U.S.C. § 30104.

COUNT VI – AGAINST RESPONDENTS DNC, HFA, WILLIAM Q. DERROUGH, AND CLINTON Making and Accepting Excessive Contributions in Violation of 52 U.S.C. § 30116(a)(1)(B)

- 154. Complainant hereby re-alleges incorporates by reference the preceding paragraphs as if fully set forth herein.
- 155. The DNC allowed HFA and its agents to exercise oversight, direction, and control over the expenditure of DNC funds, including but not limited to funds the DNC obtained through HVF.
- 156. As noted earlier, Former DNC Chairwoman Donna Brazile publicly admitted, "As Hillary's campaign gained momentum, she resolved the party's debt and put it on a starvation diet. It had become dependent on her campaign for survival, for which she expected to wield control of its operations." https://www.politico.com/magazine/story/2017/11/02/clinton-brazile-hacks-2016-215774
- 157. Gary Gensler, the Chief Financial Officer of HFA, stated the Democratic Party was "fully under the control of the Clinton campaign The campaign had the DNC on life support, giving it money every month to meet its basic expenses, while the campaign was using the party as a fund-raising clearinghouse." *Id*.
- 158. Brazile further confessed, "[T]he Joint Fund-Raising Agreement between the DNC, the Hillary Victory Fund, and Hillary for America. . . . specified that in exchange for raising money and investing in the DNC, Hillary would control the party's finances, strategy, and all the money raised. Her campaign had the right of refusal of who would be the party communications director, and it would make final decisions on all the other staff. The DNC also was required to consult with the campaign about all other staffing, budgeting, data, analytics, and mailings." Id. (emphasis added).

- 159. In July 2016, *Politico* reported, "[W]hat happens to the cash in the Hillary Victory Fund after its initial distribution is left almost entirely to the *discretion of the Clinton campaign's chief operating officer*, Beth Jones, who serves as the treasurer of the victory fund." https://www.politico.com/story/2016/07/dnc-leak-clinton-team-deflected-state-cash-concerns-226191 (emphasis added).
- DNC's funds, the DNC made a contribution of those funds to Clinton and HFA. The amount of DNC funds over which Clinton and HFA exercised oversight, direction, and control exceeded the amount of contributions and coordinated expenditures a national political party committee may make with a presidential candidate.

WHEREFORE, Respondent DNC violated 52 U.S.C. § 30116 by making, and Respondent HFA violated 52 U.S.C. § 30116 by receiving, contributions in excess of federal limits from each other.

COUNT VII – AGAINST RESPONDENT STATE POLITICAL PARTY COMMITTEES <u>Inaccurate and/or Incomplete Reports in Violation of 52 U.S.C. § 30104</u>

- 161. Complainant hereby re-alleges incorporates by reference the preceding paragraphs as if fully set forth herein.
- 162. At the very least, the Respondent State Political Party Committees filed inaccurate and/or incomplete reports that failed to disclose transfers of funds they received from HVF, and/or transfers of funds they made to the DNC.
- 163. HVF reported transferring a total of \$48,000 to two state party committees on October 1, 2015, see Exhibit 1, Rows 12-13, but neither of those entities reported receiving those funds, including;
 - a. \$24,000 to the Mississippi Democratic Party; and
