Kathryn -- I figured it out what is happening. Our treasurer received a Second Supplemental Complaint in MUR 7319 on March 19, 2018, which was six days after the last extension was granted (attached). Somehow this new supplemental complaint got lost in the shuffle. But either way, it would seem to push our response time to next week. So, can Donald J. Trump for President, Inc., Treasurer Bradley Crate (and former Treasurer Tim Jost) extend the response date from March 30 to April 6? I'm hopeful this will be the end of supplementation.

Hi, Kathryn – Was there another supplemental complaint filed in MUR 7319? We've heard there may have been, but we have not received a copy of it yet. If there was, we will probably need to ask for another, brief extension beyond this coming Friday.
