Reference to complaint from Joseph Wendt (MUR#7320)

To whom it may concern:

I have been State Treasurer for the Libertarian Party of Florida since May 2014. I can only address complaints about donations as my time as treasurer.

In the complaint it was mentioned that an attempt to donate to the LPF on January 6th 2018 was returned on the day it was received. No monies that I am aware of have been accepted by me from any non US Citizens.

As State Treasurer of the LPF I can't control what monies come into our county affiliates, so this answer must come from the affiliate that Mr. Wendt has accused of breaking FEC's rules and federal statutes.

Sincerely,
James Morris
LPF State Treasurer
