Dear Mr. Jordan,

This note is in response to the Federal Election Commission complaint numbered MUR 7325 against Lange Animal Hospital. I was paying bills from checkbooks both personally and for Lange Animal Hospital one evening and simply made a mistake in writing a check to the Jimmy Matlock campaign out of the wrong checkbook. Instead of writing the check out of my personal account I erroneously wrote it out of the Lange Animal Hospital account. I have corrected this error and have since written a personal check to the campaign to replace the check in question.

Thank you very much.

Sincerely,

Randall L. Lange
