RE: Julia Peacock
PEACOCK FOR CONGRESS (C00347278)

Attn: FEC General Counsel

REQUEST FOR INVESTIGATION & COMPLAINT

As a registered voter and citizen of the California Congressional District 42nd I respectfully requested that your office open and investigation against the Committee to Elect Julia Peacock for Congress FEC number C00347278. This complaint and request for investigation is based on the following facts:

1. On or about February 2017 Julia Peacock opened an exploratory committee for running a political campaign for the United States Congress for the California Congressional District 42nd. Since such date, Julia Peacock has engaged in political activities that includes and are not limited to the solicitation of campaign contributions to the general public.
2. Julia Peacock has opened several Facebook accounts in which she directly promoted her political campaign for the US Congress. It is unclear if the Facebook activities are paid from the Political Committee C00347278 as there is no disclosure on regards to who pay for the maintenance and promotions run under such Facebook accounts. Based on the information posted on at least two of the accounts, it seems that Julia Peacock have direct control as the administrator of such Facebook accounts.
 - a. The Facebook accounts are:
 - i. <https://www.facebook.com/juliapeachcock>
 - ii. <https://www.facebook.com/juliapeachcockforcongress/>
 - iii. <https://www.facebook.com/groups/PeacockforCongress/>
3. Julia Peacock directly on her Facebook page disclosed having anonymous donors which dollar for Dollar will donate up to \$5,000.00. This declaration was repeated at least 6 times on her Facebook page. (see attachments 1,2,3,4,5,6)
4. Julia Peacock is running for the US Congress, the FEC donation limit is \$2,700.00 per electoral cycle.
5. Julia Peacock is bounded by the FEC rules that prohibits the non-disclosure of donors in excess of \$50.00.
6. Julia Peacock stated on attachment 6: "DONOT MARTCH \$\$ UPDATE in less than 24 hours, your generously donated over \$1100: that's a total of \$2200 for the campaign thanks to the generosity of you and our matching partners. We're not done: \$3900 more to go."
7. On a recent Democratic Club meeting, Julia was confronted with allegations of embezzlement of campaign funds. This allegation was made by one of her campaign staffers after disclosure of missing contributions.

Items 1 to 6 are supported with Julia Peacock owned statements made personally on her own Facebook page. Mrs. Peacock own admissions in writing of having an anonymous donor, contributing \$5,000.00 to her campaign which exceeds the financial limits established by law, and misrepresentation of the amount donated by individuals which were matched by the anonymous donor as admitted in writing by candidate Julia Peacock should be investigated to the extent of the law and referred to the Office of the Attorney General for criminal prosecution. The false reporting of contributions made by individuals and the attempt to manipulate reports made to the FEC should also be a subject of your investigation.

It is respectfully Pray, State, and Allege that a full investigation of this matter is open, and charges been file for the violation of the electoral financial laws been brought to justice.

Respectfully submitted;
