RE: MUR 7337
 Debbie Lesko
 Re-Elect Debbie Lesko for Senate

Dear Messrs. Basile and Langhofer:

On August 13, 2019, we notified you that the Commission found that there is reason to believe Debbie Lesko and Re-Elect Debbie Lesko for Senate (“State Committee”) violated 52 U.S.C. § 30125(e)(1)(A), a provision of the Federal Election Campaign Act of 1971, as amended. We sent you a copy of the Factual and Legal Analysis, which formed a basis for the Commission’s finding, and a Request for Production of Documents. On October 7, 2019, we received your response on behalf of your clients to the Commission’s reason to believe finding. You also requested that the Commission enter into pre-probable cause conciliation with Debbie Lesko and the State Committee (together, “Respondents”).

On March 9, 2021, the Commission determined to enter into pre-probable cause conciliation and approved a conciliation agreement for the Respondents

The conciliation agreement is enclosed. The Commission has authorized the Office of General Counsel to engage in pre-probable cause conciliation with Respondents from the date of your receipt of the enclosed agreement for a period not to exceed 21 days, or 3 months if there is a tolling agreement in place to extend the statute of limitations for an additional 90 days. I have enclosed a tolling agreement to extend the statute of limitations for an additional 90 days that you may sign on behalf of Respondents and return to us.
