Ok, thanks. I just wanted to make sure. Mr. Toner mentions that Wiley response submitted generally speaks for all the state committees. But because I do not have a designation of counsel or an email/letter stating that the response does in fact apply to your committee, I did not want to assume. I look forward to hearing from you.

Sincerely,

The only thing I see is the request for an extension. Perhaps they sent it to Jeff Jordan, but he normally passes any messages like that to me.

Good afternoon,

Mr. Colvett we received a response from many of the other respondents in a joint response. Are you intending to submit your own response, or will the response from Wiley Rein LLP stand as yours as well. If so, please send me a note to that affect.

Sincerely,
