Mr. Jordan,

I received your letter on March 13, 2018 notifying me that a complaint was filed against me with the Federal Election Commission. The matter is numbered MUR 7341. In order to conduct a full review of the complaint and prepare an accurate and comprehensive response, I would like to request a 30-day extension. A response is currently due on Wednesday, March 28, 2018. A 30-day extension will make the response due on Friday, April 27, 2018.

I appreciate your consideration of this request.

Sincerely, Laurie Breininger
