MURs

7344

Greetings Kathryn, we received two envelopes at our PO box on March 23rd from the FEC. The large one was complete and contained notice of MUR 7344.

: but it only contained a letter from the FEC, the procedures document and designation of counsel form. The complaint itself was not included.

Can you email us a copy of it?

Additionally, can we receive more time to prepare a response for these two? We have one other response pending right now that is due in a few days.

Thank you,
