Ms. Dennis,

I write on behalf of Rebekah Mercer regarding MUR 7351. Please find attached Ms. Mercer's designation of counsel. As we discussed yesterday, Ms. Mercer did not receive Mr. Jordan's letter containing the Common Cause complaint until Friday, April 13, because Ms. Mercer does not work at the London address where the letter apparently was sent. As we further discussed, Ms. Mercer would like the opportunity to respond, but in light of having just received the complaint, the scope of the matters discussed in the complaint, and the need to investigate the allegations (many of which are vague), we will need additional time. We therefore request that Ms. Mercer be given 30 days from April 13 (i.e., until Monday, May 14, 2018) to submit her response. Please let us know if that is acceptable.

Regards,
Dan Bird
