Ms. Dennis and Ms. Ross –

I, along with Troy McCurry (cc'd), represent Cruz for President and Bradley Knippa in MUR 7351. Given that it did take some time for us to connect with Mr. Jordan (see email below), I am requesting an additional extension until Friday, May 17 to file our clients' response in this matter.

If one of you could let me know at your earliest convenience whether my request will be granted, I would sincerely appreciate it. Thank you in advance.

Best regards,

Mr. McCurry:

I apologize, but I seem not to have received a voice message from you. I have been informed that you want to discuss the identification of your client in this matter. You are welcome to call me again or contact our main office line at 202-694-1650. I can tell you that we are firm in our decision and that the best avenue at this point would be to raise any jurisdictional or procedural arguments up in your response to the complaint.
