RE: REQUEST FOR A SECOND EXTENSION FOR RESPONSE TO COMPLAINT – MUR #7354 (SENT VIA EMAIL)

To Whom It May Concern:

Friends of Chris McDaniel respectfully requests an additional ten (10) day extension of time to respond to the FEC complaint, MUR #7354, filed by Campaign Legal Center and Sandhya Bathja.

Friends of Chris McDaniel requested an original extension on April 19, 2018 and was granted a thirty (30) day extension, which expires on Thursday, May 10, 2018. Due to the same reasons stated in the original extension request, additional time is still needed to address the complaint. This second extension request, if awarded, will be our final extension request.

Please advise us of the decision by the FEC for this request of additional time.

With Much Appreciation,

Richard Conrad
