Re: Tolling Agreement for MUR #s 7351, 7357, and 7382

Dear Ms. Ross:

I have been retained as counsel for non-parties John Bolton Super PAC and Cabell Hobbs, Treasurer ("Bolton") in MUR #s 7351 and 7357, and as Respondents in MUR # 7382.

The Commission has previously entered into a tolling agreement related to the three Matters Under Review listed above. That tolling agreement extended the time to respond to respond until August 7, 2018. As you know, the former principals of Bolton are now employed in high-level national security position at the White House, and we are working diligently to collect information regarding the alleged violations of federal election laws. In addition, each of the principals have been on significant international travel making them unavailable to counsel to review the allegations in the three pending MURs. Consequently, we respectfully request to enter into an additional tolling agreement, as attached hereto, that will extend the deadline to respond to these matters until September 7, 2018.
