Re: MUR# 7382, *Goodwin v. Senator Thom Tillis, et al.*

Dear Ms. Dennis:

I have been retained as counsel for non-parties John Bolton Super PAC and Cabell Hobbs, Treasurer ("Bolton"). A Statement of Designation of Counsel has already been delivered to you

Counsel for Bolton first received a copy of the allegations in the Complaint on May 21, 2018. We request an extension to respond until June 25, 2018. As you know, the former principals of Bolton are now employed in high-level national security position at the White House, and we are working diligently to collect information regarding the alleged violations of federal election laws. Their schedules, however, require additional time. In addition, we are responding to two additional complaints concern the same facts as those raised in this Complaint. Consequently, we respectfully request and additional extension until June 25, 2018 to respond to the Complaint.

Please let me know if you have any questions.

Sincerely,

E. Mark Braden
