Dear Ms. Ross:

I have been retained as counsel for non-parties John Bolton Super PAC and Cabell Hobbs, Treasurer ("Bolton").

Counsel for Bolton first received a copy of the Complaint on May 21, 2018. An extension was granted until June 25, 2018. As you know, the former principals of Bolton are now employed in high-level national security position at the White House, and we are working diligently to collect information regarding the alleged violations of federal election laws. Their schedules, however, require additional time. In addition, we are responding to two additional complaints concern the same facts as those raised in this Complaint. Consequently, we respectfully request to enter into a tolling agreement that will extend the deadline to respond to the Complaint in this matter until August 7, 2018 to align the response date for this Complaint with MURs 7351 and 7357.

Please let me know if you have any questions.

Sincerely,

E. Mark Braden
