Response: MUR 7386; Respondents: R. Scott Sayre, Chairman; J. Hudson McWilliams, Treasurer; Albert Tucker, former Treasurer

Dear Mr. Jordan,

This firm represents each of the Respondents Virginia 6th District Republican Committee (the "Committee"); R. Scott Sayre, Chairman; J. Hudson McWilliams, Treasurer; and Albert Tucker¹ (collectively "Respondents") with respect to the above-noted matter under review ("MUR").² The MUR, denominated 7386, addresses a complaint filed by Anne Seaton ("Claim

¹Mr. Tucker and Mr. McWilliams have been named in their individual capacities as Respondents to this MUR but submit that these designations are unsupported by the evidence submitted by Complainant and are unwarranted in fact and law. *See infra*. IV.

²Complainant names former Chairman Sayre, asserting that the Chairman "exercise[s] actual authority over all operations of the Committee, including maintaining compliance with federal law." Complaint at ¶ 7. This is a misstatement of fact and conflicts with the Commission's own position that treasurers are responsible for a committee's compliance with Federal regulations. It is a misstatement because the Chairman does not have plenary authority over the Committee's operations nor responsibility for compliance with the statutes and regulations at issue here. According to the Republican Party of Virginia Plan of Organization, the District Committee Chairman has authority and the duty to call for, convene, and preside over required meetings, canvasses, or conventions; prescribe a time and place for filing declarations of candidacy and petitions as required by state law for a primary; and to operate the District Headquarters, including hiring of any personnel. ant”) and this letter constitutes these Respondents’ Response, which clarifies and counters the information in the complaint, including providing mitigating circumstances. Respondents ask for early settlement consideration with respect to this claim.

Introduction and Background

The Committee is a district party committee³ of the Republican Party of Virginia and, among other things, engages in political activity in connection with both Federal and non-Federal elections. Accordingly, it has established a separate Federal account, in accordance with 11 C.F.R. 103, that is treated as a separate Federal political committee (ID # C00005801).⁴ See 11 C.F.R. 102.5(a)(1)(i). The Committee also maintains a non-Federal account that reports to the Virginia Board of Elections as the 6th Congressional District Republican Committee (PP-12-00505).⁵

The MUR concerns claims that the Committee “failed to properly report receipts and disbursements connected with its [c]onvention, and other federal campaign activities during the 2017-2018 biennium,” Complaint ¶ 3. Specifically, the Complainant claims that the Committee should have reported contributions in its “federal account” for its nominating convention “and conducting other federal election activity⁶ in connection with the 2018 election.” Complaint at ¶ 15. Next, Complainant claims that the Committee’s website “solicits online donations in connection with federal election activity” and “allows users to make an individual or a source-

/Party-Plan-Amended-April-2016-2.pdf. See also Bylaws of the Sixth Congressional District of Virginia Republican Committee (last revised Nov. 18, 2017) Article IV(A)(1) (same). Instead, it is the treasurer that receives and disburses funds, reports at each District Committee meeting, and files “all required financial reports.” Bylaws, Art. IV (A)(5); see also Plan Art. IV § A(7) (providing for the election of a Treasurer of a District Committee). This practice is recognized in the FECA—as the Commission has noted, the treasurer’s authority to disburse funds and file and amend disclosure reports is reflected in that “[t]he Act designates treasurers to play a unique role . . . as the representative of the committee for purposes of compliance with the Act . . .” 70 Fed. Reg. 1 (2005). The Chairman is not a proper party to the present action.

prohibited corporate contribution by selecting the appropriate radio button on the donation page.” Complaint at ¶¶ 23, 24. Finally, the complaint alleges “commingling” of Federal and non-Federal funds in the Committee’s non-Federal account, by which it means that funds have been “*sourced* from both federally-permissible and federally impermissible sources,” and that the Committee “has received corporate contributions to the same account used to pay expenses in connection with its 2018 federal nominating convention.” Complaint at ¶¶ 31-32 (emphasis added).

Respondents submit that the allegations regarding the solicitation of contributions fail to provide “a clear and concise recitation of . . . facts which describe a violation of a statute or regulation over which the Commission has jurisdiction.” 11 C.F.R. 111.4(d)(3). Therefore, the Commission should find no reason to believe that a violation occurred with respect to that claim. Any errors are in reporting are *de minimis*, insignificant, and present a matter that does not merit the additional expenditures of Commission resources but warrant dismissal. *See Statement of Policy Regarding Commission Action in Matters at the Initial Stage in the Enforcement Process*, 72 Fed. Reg. 12545, 12546 (2007). With respect to the funding of the 2018 convention at which, for the first time in more than 25 years, the Committee was tasked with planning, funding, and reporting a convention that would choose a nominee for U.S. Congress, the Committee has set in motion the procedure to redesignate funds and reallocate expenses between the Federal and non-Federal accounts for the expenses of the convention.

I. The Committee Has Properly Deposited Funds in its Non-Federal Account and Reported Its Contributions and Disbursements with the Virginia Department of Elections.

Count I of the complaint observes that throughout 2017 and 2018 the Committee did not deposit any funds into its Federal account or make any disbursements from the Federal account. During this time, the Committee planned and held a convention at which, among other things, the Virginia’s Sixth District Congressional nominee was chosen. The complaint asserts that the Committee “rais[ed] money for federal election activity,”⁷ which “includes” the convention and the collection of filing fees from nominee hopefuls for the 6th District seat in the U.S. House of Representatives. From this, it asserts that the Committee is “materially deficient in meeting its federal reporting obligations.” In short, Count I argues that the Committee had reported activities in Virginia that it should have been reporting to the FEC.

First, throughout the period at issue, the vast majority of the Committee’s reporting was properly limited to Virginia. *See, e.g.*, Exhibit 1 to Declaration of Albert Tucker (July 23, 2018) at AT017, AT031, AT041 (reporting expenditures with no connection to a federal election) Exhibit 2 to Declaration of J. Hudson McWilliams (July 23, 2018) at HM010, HM020 (same). And each and every transaction was accurately reported according to Virginia rules, which are

⁷*See supra*, n. 6.

nearly identical to Federal reporting obligations. At most, then, any real deficiency in reporting was *de minimis*, insignificant, and would present a matter that does not merit the additional expenditures of Commission resources but warrants dismissal. *See Statement of Policy Regarding Commission Action in Matters at the Initial Stage in the Enforcement Process*, 72 Fed. Reg. 12545, 12546 (2007). Moreover, any affected Federal reports will be amended pursuant to the Committee's redesignating funds and allocation of expenses between the Federal and non-Federal accounts. *See infra*, Part III.

II. Count II of the Complaint Does not Describe or Demonstrate a Violation of Source or Amount Restrictions.

The complaint contends that the Committee's website "solicits online donations in connection with federal election activity" and "allows users to make an individual or a [federally] source-prohibited corporate contribution . . . in any amount, including contributions which [violate] federal contribution limits." Complaint at ¶¶ 23-26. The first statement is an unsupported conclusion of law—it is simply a bald assertion. The second does not describe or demonstrate a violation of Federal regulations.

As noted *supra*, the Committee is a district party committee⁸ that, among other things, finances political activity in connection with both non-Federal and Federal elections. Accordingly, it has established a separate Federal account in accordance with 11 C.F.R.103 that is treated as a separate Federal political committee. *See* 11 C.F.R. 102.5(a)(1)(i). The bulk of the Committee's activities have not been in connection with a Federal election and are carried out and reported by the Committee's non-Federal account, which is registered and reports as a Virginia Political Party Committee. The Complainant wrongly assumes that the Committee must raise funds only for the Federal account and hence concludes that its page must be raising funds for the Federal account. But even then, the supposed deficiencies of the page do not describe a violation of Federal regulations.

The applicable regulation, 11 C.F.R. 102.5(a)(2), provides that only contributions that are (1) "designated for the Federal account[,]" . . . [(2)] result from a solicitation which expressly states that the contribution will be used in connection with a Federal election[,]" or (3) are "from contributors who are informed that all contributions are subject to the prohibitions and limitations of the [FECA]" *may be deposited into the Committee's Federal account*. 11 C.F.R. 102.5(a)(2)(i), (ii), (iii). The funds donated through the portal were not deposited in the Federal account.

The donation portal, activated in February of 2017, resulted in \$21,846 in contributions between February and April of 2017. *See* Exhibit 3 to Declaration of Albert Tucker (July 23,

⁸*See* 11 C.F.R. 100.14(b); Republican Party Plan ("Plan") Article IV (April 29, 2016).

2018) (spreadsheet of online donations) at AT063-AT065; Exhibit 1 to Tucker Decl. (Copies of the Committee's online Virginia political party committee filings from January through March 2017) at AT047-AT049; Exhibit 2 to Declaration of Hudson McWilliams (July 23, 2018) at HM004 et seq. (same for April and following).⁹ That is, it is unequivocally clear that none of these funds were deposited in the Committee's Federal account. The website solicited no "unqualified"¹⁰ funds that were deposited in the Federal account and no violation has been described or demonstrated.

III. The Committee Has Not "Commingled" Federal and Non-Federal Funds.

The third count of the complaint alleges that the Committee has not made deposits into or disbursements from the Federal account, and that it has instead deposited all receipts into and made all disbursements from the State account, which is a political party committee established and maintained under Virginia law that reports to the Virginia Department of Elections. In effect, Complainant asserts that depositing funds from "federally-impermissible sources" into the non-Federal account is "co-mingling." Complaint ¶ 31. The term "commingling" does not appear in the FECA or the regulations applying FECA. Instead, at best, the claim merely restates the claim of Count II—inferring that it violates a Federal statute or regulation for the Committee to *collect* funds for its non-Federal account from sources that could be prohibited from contributing to *Federal* committees. But, again, laying aside whether any of the contributions were actually prohibited to the Federal account, the Committee did not deposit the funds into its Federal account but into its non-Federal account, *see* Tucker Decl. Ex. 1, pp. AT001-AT-AT058; McWilliams Decl. Ex. 2, pp. HM002-HM062, and no violation of 11 C.F.R. 102.5 occurred.

While, as ¶ 32 of the Complaint points out, the Committee paid expenses in connection with the convention from an account into which corporate contributions had been deposited, this does not describe a violation. First, because there are both Federal and non-Federal expenses at

⁹The non-Federal account reporting is also available online at <http://cfreports.sbe.virginia.gov/Report/ScheduleA/108911> (Direct Contributions, 1/01/17-03/31/17) and <http://cfreports.sbe.virginia.gov/Report/ScheduleB/119493> (Direct Contributions, 4/01/17-06/30/17).

¹⁰In fact, nearly all the donations could actually have been permissibly deposited in and reported by the Federal account. A donation that is designated for the Federal account is permissibly deposited in a Federal account. 11 C.F.R. 102.5(a)(2)(i). The Donate-linked page provides a comment box for a donor to designate. *See* Tucker Decl. ¶ 12; *see also* <https://give.cornerstone.cc/sixthdistrictgop+give/checkout>. All the information required for reporting is also gathered—the link requires that the donor identify as an Individual or Corporation, provide occupation, employer, employer's address, and check a box attesting to citizenship status.

issue with the convention, the non-Federal account is not per se prohibited from paying convention expenses. *See, e.g.*, Campaign Guide for Political Party Committees (Aug. 2013) Chapter 13 (a district party committee is allowed to allocate expenses between the Federal and non-Federal accounts). The issue is ascertaining the proper allocation of funds for the Federal account and making the allocated payment from the Federal account. The Committee will do so.

The Committee has properly deposited funds primarily to its non-Federal account. But the vast majority of the funds that were deposited in the non-Federal account could have been designated for the Federal account and used for the Federal account's purposes. The Committee will, therefore, as the Commission has expressly advised is permissible, "redesignate" and transfer funds from the non-Federal to the Federal account. *See* AO 2000-25 (DFL Caucus) (allowing, under 11 C.F.R. 102.6(a), the transfer of funds via "redesignation" of non-Federal funds to a Federal account where, as here, the non-Federal and Federal committees are affiliated under 11 C.F.R. 100.5(g)(2) (they are "established, financed, maintained or controlled by the same corporation, labor organization, *person* or group of persons)). *See also* AO 2018-02 (ALRAD PAC) at 10-12 (allowing redesignation of funds that meet relevant Federal source and amount limitations); AO 2000-25 at 3 n.2 (citing Advisory Opinions 1990-29, 1990-16, 1984-31 and 1981-34 allowing "transfers of funds from nonfederal accounts to Federal accounts when the funds being transferred were permissible under the Act, and when the committees involved provided the original donors appropriate notice and an opportunity to object to the transfer.") The Committee will, then, in compliance with Commission regulation and guidance, identify funds in its non-Federal account that meet Federal requirements, formally redesignate them for use in connection with Federal elections, and transfer them to the Federal account. The Committee will allocate the convention and related expenses according to 11 C.F.R. 106.7. The Federal account will then pay its allocated expenses directly and the Committee will request any refunds of payments from the non-Federal account. This corrects any actual violation.

IV. No Treasure Should be Named and No Findings Should be Made Against Any Treasurer in Their Personal Capacity in this Matter.

A treasurer is named as a respondent and findings made against a treasurer in his or her personal capacity when

the MUR involves the treasurer's violation of a legal obligation that the statute or regulations impose specifically on committee treasurers or when a reasonable inference from the alleged violation is that the treasurer knew, or should have known, about the facts constituting a violation.[footnote omitted] In practice, however, the Commission intends to consider a treasurer the subject of an enforcement proceeding in his or her personal capacity only when available information (or inferences fairly derived therefrom) indicates that the treasurer had knowledge that his or her conduct violated a duty imposed by law, or where the

Jeff S. Jordan

treasurer recklessly failed to fulfill his or her duties under the act and regulations, or intentionally deprived himself or herself of facts giving rise to the violations. If, at any time in the proceeding, the Commission is persuaded that the treasurer did not act with the requisite state of mind, subsequent findings against the treasurer will only be made in his or her official capacity.[footnote omitted]

Statement of Policy Regarding Treasurers Subject to Enforcement Proceedings, 70 Fed. Reg. 3, 27 (2005). Here, the Commission should easily find that no treasurer presently named in their personal capacity acted with the requisite state of mind.

First, as the record reflects, neither “intentionally deprived himself or herself of facts,”—instead, both treasurers acted with complete candor in reporting *each and every transaction* of the Committee. *See, e.g.,* McWilliams Decl. ¶¶ 6-11; Tucker Decl. ¶¶ 6-12. Mr. Tucker, who was treasurer from 2012 until 2017, kept meticulous records, Exhibits 2 & 3 to Tucker Decl., and Mr. McWilliams’ handling of the Committee’s records was affirmed by a formal Examination Committee, Exhibit 1 to McWilliams Decl.

Neither did either treasurer “knowingly and willfully” overlook any provision of Federal law. No Committee treasurer, officer, or member *in the last 25 years* had experience with a convention such as that which was held in 2018. Declaration of Scott Sayre (July 24, 2018) ¶¶ 4-5. Long before his tenure overlapped the convention, Mr. Tucker regularly consulted FEC personnel to ascertain proper reporting—he had the direct phone number to a particular specialist. Mr. McWilliams specifically pursued FEC advice with respect to the particular question of the proper reporting of the convention. McWilliams Decl. at ¶¶ 12-13. Neither treasurer knowingly and willfully overlooked any provision of Federal law and neither hid nor intentionally deprived themselves of pertinent facts. Neither treasurer should be named, let alone pursued in their personal capacity here.

Conclusion

The Chairman is incorrectly named in the Complaint, and neither Treasurer should be subject to the MUR in their personal capacity. The allegations regarding the solicitation of contributions fails to describe a violation of the Act or the regulations and the Commission should find no reason to believe that a violation occurred with respect to that claim. Any errors in reporting are *de minimis*, insignificant, and present a matter that does not merit the additional expenditures of Commission resources but warrant dismissal. With respect to the funding of the 2018 convention at related events, the Committee will redesignate funds to the Federal account, calculate its proper allocation, and make payments directly to the vendors. Any refunds will be made to the non-Federal account, and the pertinent Federal reports will be amended. This MUR should be closed without further action.

Declaration of J. Hudson McWilliams

I, J. Hudson “Hud” McWilliams, declare as follows:

1. I am over 18 years of age.

2. I am offering this declaration in support of responses to Federal Election Commission Matter Under Review 7386.

3. I was the treasurer of the Sixth District Republican Committee (“Committee”) from May, 2017 until June 23, 2018.

4. The Committee has two checking accounts. One is a State checking account and the other is a Federal checking account. The State checking account reports as a Political Party Committee to the Virginia Department of Elections, ID # PP-12-00505. The Federal account reports to the FEC, ID # C00005801. Attached as Exhibit 2 are true and correct copies of the Virginia filings for the period April 1, 2017 to June 30, 2018. These files are also available online at <http://cfreports.sbe.virginia.gov/Committee/Index/fb200e82-fd82-e111-9bed-984be103f032>.

5. The Committee does not have an allocation account or a Levin account.

6. During the 2017-2018 period, all receipts and expenditures were deposited into and paid from the Committee’s state account and reported on regularly-scheduled reports to the Virginia Department of Elections. To the best of my knowledge and recollection, none of the contributions to the Committee during this period were ever designated for use in connection with a federal election.

7. On April 15, 2017, the Committee held a fundraising event (“Gala”) which, after expenses, raised \$6264.58. *See* Exhibit 2 to Declaration of Albert Tucker (July 23, 2018) at AT059. The funds and expenses of the Gala were deposited in and drawn from the State account and reported to the Virginia Board of Elections in the next-scheduled report. *See* Exhibit 2 at HW001-HW011.

Declaration of Hudson McWilliams

8. Among donors to the committee, three corporations contributed to support the Gala or otherwise to support the Committee. *See* Tucker Decl. Exhibit 2 at AT060-62. Their status is reported in the quarterly report filed with Virginia. Exhibit 2 at HM005 (Power Monitors, Inc.), HM006 (War Room Strategies, Inc.). The contribution from Central Virginia Drywall of \$12.00 does not appear on the Virginia report because although entered into the site's software, the amount has not reached the aggregate trigger of \$100 at which Virginia requires reporting.

9. On January 6, 2018, the Committee issued an official call for a convention. This was the first time a convention would elect a nominee for U.S. Congress in more than 25 years.

During January, \$41,500.00 was deposited into our State account in filing fees from eight candidates who were seeking the Republican nomination to run for the U.S. House of Representatives and three candidates who were seeking election to Party offices in the 6th District. Attached hereto as Exhibit 3 is a spreadsheet that correctly records the income and expenses of the convention.

10. The Committee held four events at government and educational venues to allow hopeful nominees to introduce themselves and their ideas to the public. The events were held on January 27, February 3, February 17, and February 24, 2018. The events were held in public venues at government agencies and educational. Expenses for these events totaled \$216.21 . Exhibit 4 attached hereto is a spreadsheet that correctly lists these expenses. These were reported to the Virginia Department of Elections. Exhibit 2 at pp. HM042, HM057.

11. The funds received as filing fees to run for office were put into the state account for Committee use. This money was reported to the Virginia Department of Elections in the next scheduled report. Exhibit 2, pp. HM038-HM039.

12. In April 2018, about one month before the Convention, I sought guidance concerning the account where the filing fees had been deposited. I called the FEC and spoke to an information

specialist whose name I do not remember. I told the FEC representative that I needed to make sure that the funds had been placed into the correct account. I stated that it was my belief that the funds had been correctly deposited because those filing were not yet Federal candidates. I believe that I explained the situation adequately to conclude that the specialist understood that this was in connection with a nominating convention for the District's candidate for the U.S. House of Representatives. To the best of my recollection, the specialist agreed that "it is a State matter."

13. At the end of May or the beginning of June, I received two complaints naming the Committee and me (MURs 7386 & 7388). I then sought to get a name to go along with the information I received from the FEC. I contacted Chris, an FEC specialist. Chris declined to send me in an email the previous information I'd received. To the best of my recollection, I explained the situation to him exactly as I had to the other person I had talked to, and asked whether the filing fees from candidates who were seeking the nomination to Congress were correctly deposited in the State account. Chris pointed me to page 55 of the FEC Political Party Guide and suggested that what I described was not "federal election activity."

14. The Bylaws of the Committee require that upon succession of a new treasurer an Examination Committee must be appointed and must review the financial records of the Committee before they are transferred to the new treasurer. Attached as Exhibit 1 is a true and correct copy of the letter certifying that, on July 19, 2018, that the Examinations Committee review of the Committee financial records found them in good order, in balance, and agreed that the transactions reviewed for the period were either authorized or normal and customary to the conduct of the business of the Committee.

I verify under penalty of perjury under the laws of the United States of America that the factual statements herein concerning the Sixth District Republican Committee are true and correct. 28 U.S.C. 1746.

To: The Sixth Congressional District of Virginia Republican Committee

This letter is to certify that the financial records for the period May 6, 2017 through June 23, 2018, during which time Hud McWilliams was Committee Treasurer, have been reviewed by the Examinations Committee per article IX, section C of the District Committee bylaws. The members of this committee were Dan Cullers, Donald Helms, Jonathan Comer and Nancy Dye.

On Thursday, July 19, we reviewed the financial records for this period comparing bank statements from Union Bank against the receipts and the excel record of transactions maintained by Hud McWilliams. Mr. McWilliams was present for the examination.

The committee found all records in good order, and the books in balance. The committee agreed that the transactions reviewed for this period were either authorized or normal and customary to the conduct of the business of the District Committee.

Declaration of Albert J. Tucker, III

I, Albert S.J. Tucker III, or "Al" Tucker, declare as follows:

1. I am over 18 years of age.
2. I am offering this declaration in support of responses to Federal Election Commission Matters Under Review 7386.
3. I was the treasurer of the Sixth District Republican Committee ("Committee") from May, 2012 until May, 2017
4. The Committee has two checking accounts. One is a State checking account and the other is a Federal checking account. The State checking account reports as a Political Party Committee to the Virginia Department of Elections, ID # PP-12-00505. The Federal account reports to the FEC, ID # C00005801.
5. The Committee does not have an allocation account or a Levin account.
6. I was responsible for filing reports of the Committee through the first quarter of 2017. While the Committee occasionally receives funds for work in connection with federal elections, the vast bulk of the Committee's work has traditionally been on state and local issues and elections and consequently the bulk of the Committee's funding is designated by the donor for the state account. *See* 6th Congressional District Republican Federal Committee October Quarterly Report (10/03/16) (available at <http://docquery.fec.gov/cgi-bin/forms/C00005801/1102021/>) (showing the transfer of \$3590.74 to the Republican Party of Virginia and a transfer from the Lynchburg Republican Committee of \$100); Exhibit 1 attached hereto are true and correct copies of the quarterly and large contribution reports filed with the Virginia Department of Elections from January 2016 through the first quarter of 2017. These records show, that during the third quarter of 2016, the state account received transfers from local party

Declaration of Albert Tucker

committees of \$2064.71, which are the “assessments” of the local committees comprising the district. *See* Exhibit 1 hereto, pp. AT027, AT028.

7. To the best of my knowledge and recollection, during the January 2017 to May 2017 period, all receipts and expenditures were deposited into and paid from the Committee’s state account and were reported on regularly-scheduled reports to the Virginia Department of Elections. *See* Exhibit 1 generally. To the best of my knowledge and recollection, none of these funds were designated by donors as for use in connection with a federal election.

8. On April 15, 2017, the Committee held a fundraising event (“Gala”). Attached as Exhibit 2 is a true and correct accounting of the expenses and income from the Gala that I personally prepared. After expenses, the Gala raised \$6264.58. *See* Exhibit 2 at AT059. The funds and expenses of the Gala were deposited in and drawn from the State account and reported to the Virginia Board of Elections in the next-scheduled report. *See* Exhibit 2 to Declaration of J. Hudson McWilliams (July 23, 2018) at HM001-HM011.

9. Three corporations have donated to the Committee’s state account during the period between 2016-2018. Power Monitors, Inc. gave \$10,000 on June 28, 2016, Exhibit 1, p. AT024 and another \$1000 on April 11, 2017, Exhibit 2, p. AT61; McWilliams Decl. Exhibit 2 at HM005. War Room Strategies, Inc. donated \$500 to the state account on April 6, 2017, Exhibit 2, p. AT061; McWilliams Decl. Exhibit 2 at HM006. Central Virginia Drywall gave \$12 to the state account on April 15, 2017, Exhibit 2, p. AT062. The Central Virginia Drywall donation does not appear on the Virginia report because although it was entered in the Virginia reporting software, it is not displayed until the donor’s aggregate total contributions reach \$100.

10. On information and belief, no corporations donated \$100 or more to the Committee’s state account between 2012 and 2016.

11. To the best of my knowledge, no corporations donated any funds to the Federal account during my tenure as Treasure from 2012 to May, 2018.

12. The Committee set up the donation portal on its website in February of 2017. The main reason for setting it up was to allow donors a simpler way to donate to the Committee and because it allows the use of debit and credit cards. When a would-be donor fills in an amount to be donated and presses "Donate," the screen requires that the donor identify as an Individual or Corporation, provide occupation, employer, employer's address, and check a box attesting to citizenship status. *See* <https://give.cornerstone.cc/sixthdistrictgop+give/checkout>. It also recites the Virginia statute that requires the information be gathered by a political party committee, and provides a comment box for a donor to give instructions. No donor has ever designated the funds donated through the portal to be used in connection with a federal election. Attached hereto as Exhibit 3 is a copy of a spreadsheet that I prepared listing the online donations from February 2017 through April 2017. Each of these transactions was also recorded in the Committee's state political party committee reporting.

I verify under penalty of perjury under the laws of the United States of America that the factual statements herein concerning the Sixth District Republican Committee are true and correct. 28 U.S.C. 1746.

Declaration of Scott Sayre

I, R. Scott (“Scott”) Sayre, make the following declaration pursuant to 28 U.S.C. § 1746:

1. I am over 18 years of age.
2. I am offering this declaration in support of responses to Federal Election Commission Matter Under Review 7386.

3. I was the Chairman of the Sixth District Republican Committee (“Committee”) from May 2016 until May 19, 2018. In that capacity and as a member of the Committee, I have knowledge of the functions of the Committee and its activities.

4. By default, Virginia law allows political parties to select their method of nomination for candidates—either by caucus, convention, mass meeting, or primary. But it provides an exception that allows certain incumbent officeholders to select their party’s nomination method, regardless of the party’s wishes.¹

5. The current incumbent Congressman has invoked this law at every opportunity over the past 25 years to force a primary. Consequently, since at least 1992, candidates for U.S. Congress from the Sixth District have been nominated in a primary or were unopposed, and the Committee has not nominated a candidate for U.S. Congress during that time.

6. On January 6, 2018, the Committee called for its biennial convention to nominate its candidate for Congress. As Chairman of the Committee and pursuant to the Bylaws of the Committee and the State Party Plan, I issued an official Call for convention to select the Republican Party’s nominee to the House of Representatives for the Sixth District. A true and

¹The law, Va. Code 24.2-509(B), was declared unconstitutional on January 19, 2018, by the U.S. District Court for the Western District of Virginia, but the injunction against its enforcement was stayed until resolution of an appeal to the 4th Circuit.

correct copy of the Call is available at <http://www.sixthdistrictgop.org/wp-content/uploads>

7. On February 10, the deadline passed for the incumbent to void the Committee's nomination call.

8. The Committee held four events at government and educational venues to allow hopeful nominees to introduce themselves and their ideas to the public. The events were held on January 27, February 3, February 17, and February 24, 2018.

9. In addition, a "meet the press" event was held at the Stonebridge Center on January 3, 2018 for prospective candidates to allow candidates to announce their intentions to the media. This event was not organized or sponsored by the Committee.

10. On April 28, 2018, the Committee held a meeting at the Stonebridge Center. Among the business conducted was discussion of the responsibilities of organizing and operating the convention.

11. On May 12, 2018 the Convention Credentials Sub-Committee held hearings at the Stonebridge Center to qualify potential delegates.

12. On May 19, 2018, the Committee held a convention at the James Madison University Convocation Center in Harrisonburg, Virginia.

I verify under penalty of perjury under the laws of the United States of America that the factual statements herein concerning the Stonebridge Center, its activities, and its intentions are true and correct. 28 U.S.C. 1746.

Executed on July 24, 2018.

Declaration of Donna Moser

I, Donna Moser, declare as follows:

1. I am over 18 years of age.
2. I became the Treasurer of the Virginia Sixth District Republican Committee (the “Committee”) on June 23, 2018.
3. I am offering this declaration in support of the Committee’s supplemental response to the Federal Election Commission Matter Under Review 7386 (“MUR 7386”).
4. Except where specifically noted otherwise, the statements set forth in this declaration are based on my personal knowledge.
5. The Committee has two checking accounts. One is a State checking account (“State Account”) and the other is a Federal checking account (“Federal Account”). The State Account reports as a Political Party Committee to the Virginia Department of Elections, ID # PP-12-00505. The Federal Account reports to the FEC, ID # C00005801.
6. It is my understanding that in the Committee’s response to MUR 7386, the Committee proposed to correct any actual violation arising from spending funds from the State Account for political activities in connection with a federal election by (1) identifying funds deposited in the State Account that could have been deposited in the Federal Account; (2) re-designating and transferring those funds to the Federal Account; (3) determining the Federal Account’s share of the expenses related to the May 2018 convention; (4) re-paying those expenses again from the Federal Account, and; (5) obtaining and depositing refunds to the State Account. As the Committee’s treasurer, I undertook to fulfill this plan as described herein.
7. Beginning in late July, 2018, with the help of Kenneth Adams, I identified funds in the State Account that could have been deposited in the Federal Account. We were both Committee

Declaration of Donna Moser

members and active in planning for and conducting the convention. We created a spreadsheet of all the deposits into the State Account from January 1, 2018 through June 30, 2018. There were \$64,690.94 in deposits during that period. Beginning with the most recent deposits, we examined the source and amount of every deposit made into the State Account to determine whether any were permissibly and properly “federal funds” that should or could have been deposited in the Federal Account. We examined each deposit to determine whether the funds met the federal source and amount restrictions. Among the deposits made between January 1 and June 30, 2018 were eight filing fees of \$5,000.00 each from persons seeking the Republican nomination for the federal district Congressional seat—totaling \$40,000. *See* Virginia Department of Elections,¹ Report of 6th Congressional District Republican Committee (PP-12-00505) Reporting Period 01/01/2018 to 03/31/18 Amended) (April 25, 2018).²

8. When our analysis was done, we determined that a total of \$24,040.28 in federally-permissible funds remained in the State Account. The Committee planned to transfer these funds in order to effect the plan described in ¶ 6.

9. On October 15, 2018, \$24,040.28 was transferred from the State Account to the Federal Account. *See* 6th Congressional District Republican Federal Committee, FEC Form 3X 12-Day Pre-Election Report p. 3 ¶ 11(b) (Oct. 19, 2018);³ Virginia Department of Elections, Report of 6th Congressional District Republican Committee (PP-12-00505) Reporting Period

¹Each of the reports to which I refer is available online at the address provided in the note linked to each reference. For the convenience of the Commission, I have included true and correct copies of all reports to which I refer in this Declaration.

10/01/2018 to 12/31/18 (Jan. 8, 2019).⁴

10. In September 2018 The Committee received an additional \$12,350 in contributions to the Federal Account to pay for the legal expenses of the Committee related to MUR 7386 and MUR 7388. *See* 6th Congressional District Republican Federal Committee, FEC Form 3X (October Quarterly Schedule A (Oct. 16, 2018)).⁵

11. We examined all the State Account disbursements and calculated the expenses related to the convention to have been \$42,542.18. To determine the federal share of convention-related expenses, the Committee divided the total number of candidates (15) by the number of federal (8) and state candidates (7). From this, we calculated that 53.3% or \$22,674.98 of the expenses should be allocated as in connection with a federal election and the Federal Account.

12. On October 15, 2018, the Committee paid \$24,108.70 in legal expenses for its Responses to MURs 7386 and 7388. *See* 6th Congressional District Republican Federal Committee, FEC Form 3X (12-Day Pre-Election Report) Schedule B p. 8 (Oct. 19, 2018).⁶

13. An additional convention expense of \$4124.41 was paid on October 15 from the Federal Account, and made transfers to local committees totaling \$900 and a \$1000 contribution to a state candidate. *See* 6th Congressional District Republican Federal Committee, FEC Form 3X (12-Day Pre-Election Report) Schedule B p. 8 (Oct. 19, 2018).⁷

14. As of October 18, then, after paying the legal fees, additional convention expenses, and making transfers and a contribution, the Committee's Federal Account had a balance of \$7123.89. *Id.* By the end of the year, the Committee's Federal Account had received an additional \$1550 in contributions. FEC Form 3X (Year-End Report) p. 3 (Jan. 22, 2018).⁸

15. The amount to be re-paid to vendors for the convention-related expenses under the plan described above was \$22,674.98.

16. Because the Federal Account has not had and does not now have sufficient funds to re-pay vendors, the Committee has not undertaken this step.

17. Based on my experience and that of other long-time members of the Committee, it is my opinion that it is highly unlikely that the Federal Account will be able to raise funds sufficient to create the surplus needed to re-pay \$22,674.98 in expenses that have already been paid.

I affirm under penalty of perjury that the foregoing is true and correct. Executed on this 28 day of March, 2019.

Donna Moser
