Re: **MUR 7388**

Dear Ms. Dennis,

This Firm represents Dunbar for Congress and its Treasurer, Elizabeth Curtis (collectively, "Respondent") in the Matter Under Review ("MUR") 7373. On May 29, Respondent received notification of a second complaint that is the subject of MUR 7388.

Pursuant to 52 U.S.C. § 30109(a)(1), Respondent has the opportunity to demonstrate in writing within fifteen (15) days of notification that the Commission should take no further action.

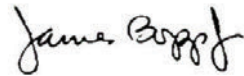

Because Ms. Dunbar is now burdened with preparing a response to a second complaint that raises at least two new claims that require additional and different investigation and work, we respectfully request a fourteen day extension for the response to MUR 7388, making a response due on June 27, 2018.

In the alternative, should these two matters (MUR 7373 and MUR 7388) be considered sufficiently related, Respondent requests that they be combined for resolution on a single schedule and proposes that the combined response be due June 29, 2018.
