Re: Request for Extension of Time in MUR #7413

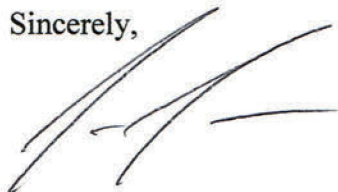

Dear Mr. Jordan:

I am Jonathan Jenkins for Senate Committee (the "Committee"). I write on behalf of the Committee and the candidate, Jonathan Jenkins (the Candidate"), each named in the above-referenced Matter Under Review.

The Committee and the Candidate received a copy of the underlying complaint in this MUR on June 26, 2018, so their responses would be due July 11, 2018. However, we are currently winding down the Committee and thus need additional time to identify and retain counsel, provide counsel with the necessary information and documentation and allow a suitable opportunity for counsel to review the law and facts of this situation and prepare a response. Accordingly, I respectfully request an extension of time to respond to the complaint in this MUR until September 10, 2018, which is 60 days from July 11, 2018.

Thank you in advance for your consideration.

Sincerely,

Jonathan Jenkins
Candidate, Jonathan Jenkins for Senate
