RE: MUR 7422

Dear Sir/Madam:

On August 15, 2018, the Federal Election Commission (“Commission”) notified you that it had received additional information pertaining to a complaint filed with the Commissioner on July 2, 2018, alleging violations of the Federal Election Campaign Act of 1971, as amended (the “Act”). A copy of the complaint and the additional information was provided at that time. On November 29, 2018, we notified you that the Commission had again received additional information pertaining to the allegations and provided a copy of that additional information.

On June 25, 2020, and January 14, 2021, the Commission considered the complaint but was equally divided on whether to dismiss the allegations on the grounds of prosecutorial discretion based on *Hecker v. Chaney*. Accordingly, on June 7, 2022, the Commission closed its file in this matter.

Documents related to the case will be placed on the public record within 30 days. *See Disclosure of Certain Documents in Enforcement and Other Matters*, 81 Fed. Reg. 50,702 (Aug. 2, 2016), effective September 1, 2016. A Statement of Reasons explaining the Commission’s decision will follow.

If you have any questions, please contact Crystal Liu, the attorney assigned to this matter, at (202) 694-1273.

Sincerely,

Mark Shonkwiler
