RE: P-MUR 611 / MUR 7425

Dear Mr. Weisselberg:

On June 15, 2018, the Federal Election Commission (the “Commission”) received information in the normal course of its supervisory responsibilities indicating that you may have violated the Federal Election Campaign Act of 1971, as amended (the “Act”). On June 20, 2018, you were notified of this information and provided an opportunity to respond. The Commission numbered this matter P-MUR 611. On July 18, 2018, the Commission notified you of a complaint alleging violations of the Act, and on December 2, 2019, the Commission notified you of a supplemental complaint. The Commission numbered this matter MUR 7425.

On January 14, 2021, the Commission considered these matters but the Commission was equally divided as to whether to take no action at this time with respect to the allegations that you violated 52 U.S.C. § 30125(e) or whether to dismiss the allegations that you violated 52 U.S.C. §§ 30116(a) and (f), 30118(a), and 30125(e). On January 11, 2022, the Commission closed its file in this matter.

Documents related to the case will be placed on the public record within 30 days. *See* Disclosure of Certain Documents in Enforcement and Other Matters, 81 Fed. Reg. 50,702 (Aug. 2, 2016), effective September 1, 2016. A Statement of Reasons providing a basis for the Commission’s decision will follow.
