Per our earlier email exchange, for the time being I represent NRA-PVF, its treasurer, and NRA-ILA in this matter. If you need me to submit a separate designation of counsel form for this MUR, in addition to the one I recently submitted in MUR 7314, I will be happy to do so. (I would add that the clients do anticipate retaining different counsel for this MUR in the near future.)

I received the hard copy of the complaint via mail on July 25, 2016. (I never did receive an email copy.) I hereby that the time for these respondents to submit their responses be extended approximately 30 days, until Monday, September 10, 2018, in order to afford them sufficient time to prepare a detailed and accurate response to these allegations.

Regards,

Matthew H. Bower  
Assistant General Counsel
