MUR # 7444

Complainant,

v.

Unknown party

COMPLAINT

Complainant files this complaint under 52 U.S. Code § 30121 (a)(1) against an unknown person or entity, for attempting to make a prohibited contribution to the Claire Barnett Campaign.

A. FACTS

1. Claire Barnett is a candidate for Texas State Representative District 122, in an election to be held on November 6, 2018.
2. On June 18, 2018, an unknown person attempted to contribute to the Claire Barnett Campaign two (2) online contributions from an unknown source which appeared to originate from a foreign country. The first attempted contribution was for \$1.00, and the second was for \$2.00 (see attached).
3. The person or entity attempting to make the contribution used a pre-paid MasterCard, and did not provide a name or address on the donation form as required.
4. The complainant immediately cancelled the contributions through the payment processor, Stripe.
5. A representative of the Claire Barnett Campaign contacted the Texas Ethics Commission (TEC) to report the incident. The TEC recommended that the Federal Elections Commission be contacted in this matter.

B. CONCLUSION

1. The Federal Election Commission should investigate these attempted foreign contributions to determine the extent of interference in the election.
