MUR 7479

Re: Statement of Designation of counsel by
 H. Russell Taub on behalf of KAIRCK, an
 unincorporated association and KAIRC PAC,
 an alleged entity

Dear Ms. Stevenson

We represent an unincorporated association of individuals which styles itself under the name Keep America In Republican Control (KAIRC). I have been advised that the members of KAIRC separately solicit contributions to republican candidates for election under the leadership of H. Russell Taub. I have further been advised that KAIRC recently tested a website that inadvertently referred to the association a political action committee under the name KAIRC PAC. The website has since been taken down.

Mr. Taub recently received a copy of complaint dated July 25, 2018 addressed to your office by the so-called Foundation For Accountability and Civic Trust complaining that "KAIRC PAC failed to register as a political committee before allegedly receiving donations and making contributions. We have agreed to represent KAIRC and Mr. Taub in connection with the complaint and hereby file a Statement of Designation on their behalf.

Please send all papers pertaining to the complaint to Eiseman Levine Lehrhaupt & Kakoyiannis, PC to our firm at the address indicated on our letterhead. My colleague Eric R. Levine and I will be working on this matter. His email address is elevine@eisemanlevine.com . My email address is lmandelker@eisemanlevine.com . You can reach either of us through the main switchboard number (212) 752-1000. We will respond on behalf of our clients.

Very truly yours

Lawrence A. Mandelker
