16 Waiver of Confidentiality  
17

18  
19 On November 4, 2021, Vice Chair Dickerson forwarded to this Office requests to waive  
20 confidentiality from the following Respondents:  
21

- 22 • National Rifle Association of America Political Victory Fund and National Rifle  
23 Association of America Institute for Legislative Action<sup>1</sup> (in MURs 7427, 7497,<sup>2</sup>  
24 7524, 7553, 7558, and 7560);
- 25 • OnMessage, Inc., and Starboard Strategic, Inc.<sup>3</sup> (in MURs 7427, 7497, and 7524);

<sup>1</sup> The NRA entities' waiver request is signed by an individual identified as "General Counsel" for an unspecified entity. The waiver request is not signed by the NRA Respondents' counsel of record and in this and all similar instances in which waiver requests were executed by parties other than counsel of record described herein, this Office does not have information indicating that counsel of record transmitted the waiver request.

<sup>2</sup> The Complainant in MUR 7497 submitted correspondence labeled "Additional Facts Relevant to MUR #7497" that this Office addressed as a separate MUR, designated MUR 7621. *See* First Gen. Counsel's Rpt. at n. 1, MURs 7558, 7560, and 7621 (National Rifle Association of America Political Victory Fund, *et al.*); *see also* Mem. Op. (unredacted) at 5, *Giffords v. FEC*, Civ. No. 19-1192 (D.D.C. Oct. 1, 2021) (describing the "supplement to the [MUR 7497] complaint . . . on February 8, 2019," which corresponds to the date of what is designated the MUR 7621 Complaint). We construe the NRA entities' request to waive confidentiality in MUR 7497 to extend to MUR 7621.

<sup>3</sup> OnMessage and Starboard Strategic's confidentiality waiver request is signed by an individual identified as "partner," for an unspecified entity.

MURs 7427, 7497, 7524, 7553, 7558, 7560, and 7621 (National Rifle Association of America Political Victory Fund, *et al.*) and MURs 7654 and 7660 (America First Action, Inc., *et al.*)

24 MURs 7427, 7497, 7524, 7553, 7558, 7560, 7621, and 7654 each have multiple Respondents.

14 By requesting these waivers, National Rifle Association of America Political Victory  
 15 Fund, National Rifle Association of America Institute for Legislative Action, OnMessage, Inc.,  
 16 Starboard Strategic, Inc., National Media Research and Placement, LLC, Red Eagle Media  
 17 Group, American Media & Advocacy Group, LLC, Richard Burr, Richard Burr Committee, Josh

 19 Again PAC, f/k/a Donald J. Trump for President, Cory Gardner for Senate, Cotton for Senate,  
 20 and Matt Rosendale for Montana have requested that the Commission not apply the  
 21 confidentiality provision of 52 U.S.C. § 30109(a)(12)(A) to the matter or matters in which each  
 22 waiver was made. However, that section merely provides that any notification or investigation  
 23 shall not be made public by the Commission without the written consent of the person receiving  
 24 such notification or the person with respect to whom such investigation is made. By its terms,  
 25 Section 30109(a)(12)(A) does not impose an affirmative duty on the Commission to publicize  
 26 any of these matters at this time as it pertains to the Respondents who have waived  
 27 confidentiality in those matters. Therefore, this Office will respond to requests for information  
 28 subject to the following considerations. First, requests must be in writing. Second, such requests  
 29 will be considered by the Commission subject to the provisions of the Freedom of Information  
 30 Act, the Government in the Sunshine Act, and all relevant privileges that would limit or preclude  
 31 the release of such requested information.

32  
 33 This Office typically recommends the Commission accept Respondents' requests to  
 34 waive confidentiality by approving the appropriate letters acknowledging the waivers; those  
 35 letters recite the matter or matters in which the Commission acknowledges the Respondent has  
 36 waived confidentiality, summarize the process by which this Office may release information, and  
 37 remind Respondents in multi-Respondent MURs that the waiver extends only to the named

4 will not treat confidentiality waived by such Respondents until we receive that confirmation.<sup>14</sup>

**Re: Matter Under Review 7427**  
**(Notice of Consent under 52 U.S.C. § 30109(a)(12))**

Dear Commissioners:

On behalf of Ron Johnson for Senate (“the Campaign”), I write in regard to MUR 7427<sup>1</sup> to provide the Campaign’s consent to waive its confidentiality protections under 52 U.S.C. § 30109(a)(12) with regard to the proceedings to date.

As the Campaign made clear in its original response in this matter, the Complainants never alleged that Ron Johnson for Senate violated the law. To the contrary, their Complaint openly recognizes that the Campaign did not engage in prohibited coordination under 11 C.F.R. § 109.21. *See* Compl. ¶ 53 n.103 (citing 11 C.F.R. § 109.21(b)). Indeed, Complainants never even named the Campaign as a Respondent or sought a penalty against the Campaign. As such, there was absolutely no basis for the FEC to generate the Campaign as a Respondent in this matter let alone find reason to believe that a violation occurred. Nevertheless, the FEC generated the Campaign as a Respondent to the Complaint.

The Committee reserves its rights to rescind its consent in the event of any future FEC notification(s) or investigation(s) in connection with the MURs referenced in this letter. Thank you for your attention to this matter.

---

<sup>1</sup> In addition, to the extent the Campaign was generated as a Respondent in any of the other MURs filed by the same Complainants and raising similar issues (MURs 7497, 7524, and 7553), the Campaign hereby waives the confidentiality protections in those matters as well.

**Re: Notice of Consent under 52 U.S.C. § 30109(a)(12), 11 C.F.R. § 111.21**

Dear Commissioners:

On behalf of Make America Great Again PAC, f/k/a Donald J. Trump for President, Inc. (“the Committee”), we write in regard to MUR 7553.

As the Commissioners should know by now, the complaint in MUR 7553, filed by Campaign Legal Center and Giffords, openly acknowledged that there was no basis for reason to believe there had been a violation by the Committee. *See* MUR 7553, Compl. ¶ 50 n.95 (citing 11 C.F.R. § 109.21(b)(2)). In fact, the complaint did not assert any of its “Causes of Action” against the Committee, did not seek a penalty against the Committee in its “Prayer for Relief,” and did not even name the Committee as a respondent in its caption. This alone should have ended the matter as to the Committee. Yet the FEC generated the Committee as a respondent to the complaint nonetheless.

Consistent with the Statement issued by Vice Chair Dickerson on November 1, 2021, the **Committee now writes to provide its consent, effective immediately, to waive any and all of its confidentiality protections under 52 U.S.C. § 30109(a)(12) and 11 C.F.R. § 111.21 with regard to MUR 7553**—a matter which the complainants already have made a matter of public record. *See* 52 U.S.C. § 30109(a)(12); 11 C.F.R. § 111.21. **The Committee reserves its rights to rescind its consent in the event of any future notification(s) or investigation as to the Committee in connection with MUR 7553.**

Furthermore, the Committee has no record of receiving any notification that it was generated as a respondent in any of MURs 7427, 7497, or 7524, which we understand were filed by the same complainants and may involve some similar issues as MUR 7553. **In the event the FEC has generated the Committee as a respondent in either MUR 7427, 7497, or 7524, the**
