RE: MUR 7507

Dear Mr. Jordan:

I write as counsel to Drenko Pureval (“Respondent”), in the above-referenced matter. Respondent respectfully requests that the time for response be extended until Friday, December 7, 2018. On October 25, 2018, Respondent received a supplement to the complaint which requires additional time to develop the information necessary for a response. Further, it is my understanding that December 7 is the extended deadline for the other respondents in this matter to respond to the complaint, and I respectfully suggest that it would further economy and efficiency for all of the responses to the complaint to be submitted at the same time. I appreciate the Commission’s consideration of this request.

Please do not hesitate to contact us if you have any questions regarding this matter.

Sincerely,

*/s/ Patrick Quinn*
