Re: MUR 7512

Ladies and Gentlemen:

We represent Friends of Val Hoyle (“Committee”). A designation of counsel form is enclosed.

This letter responds to your inquiries to the Committee dated October 19, 2018, and November 8, 2018.

This response is provided within 15 days of receipt as provided in the November 8, 2018, inquiry. The delay in response results from the inquiries being misaddressed. The Committee’s mailing address is:

PO Box 2661
Eugene, OR 97402

If we understand the complaint included with the inquiry dated October 19, 2018, a Wim de Vriend has raised the concern that a contribution to the Committee by Jordan Cove LNG LLC PAC resulted in the Committee’s receiving a contribution from a foreign national.

At all times, the Committee has understood the contribution to have been made by Americans using American funds.

As substantiated by the enclosed letter from Charles Deister to the Committee dated December 21, 2018, the contribution the Committee received was not from a foreign national. The contribution came from an American entity with American decision-makers using American funds.

Dear Mary,

We support organizations and candidates who have a demonstrated interest in supporting economic development of all kinds. In line with this we have previously contributed to Friends of Val Hoyle.

This letter clarifies the entity that made the contribution in December 2015 to Friends of Val Hoyle. That contribution was made by:

Jordan Cove LNG LLC PAC
1120 G Street NW, Suite 1020
Washington, DC 20005

All Jordan Cove LNG LLC PAC funds are comprised of contributions by U.S. citizens, and the contributions from the PAC are drawn from the PAC's U.S. bank account. All decisions regarding PAC disbursements are made by U.S. citizens, and a U.S. entity pays for the PAC's administration costs.

Sincerely,

Charles Deister
